the blurb is in first person the book is written in third person This series should be read in order The Right One Felice Stevens,2021-09-03 Wrong never felt so right Morgan Cantrell is a survivor After running away from an abusive husband he s finally divorced and starting over but it s hard Of course he doesn t mean to set off the smoke detectors in the building or short out the electricity in his apartment Mistakes happen The last thing he wants is to draw the attention of his growly moody ass super Every time they meet it s like oil and water they just don t mix Leo DeLuca learned at an early age that the people who are supposed to love you only hurt you He s happy to keep to himself but the walking disaster of a new tenant in 5C won t stop getting in his way and into his business They can t even speak to each other without arguing but Leo has to admit it s kind of a turn on That must be the reason why he can t stop thinking about the guy in 5C Or wanting to touch him But hell no That would be a mistake One kiss leads to an explosive night both men fight to forget after all Leo has nothing in common with the sweet kindergarten teacher while Morgan is looking for a happily ever after he knows Leo can t give Yet it s Morgan who Leo leans on to help deal with his painful past and Leo is the key to unlocking Morgan s inner strength Trusting someone is never easy but it might be the only way they discover that everything they think is wrong about each other could be everything that s right This book deals with domestic and verbal abuse and contains discussion of past traumatic events The Days of Afrekete Asali Solomon,2025-09-23 I didn t feel like I was reading this novel I felt like I was living it Ann Patchett author of The Dutch House From award winning author Asali Solomon The Days of Afrekete is a tender surprising novel of two women at midlife who rediscover themselves and perhaps each other i nspired by Mrs Dalloway Sula and Audre Lorde s Zami Liselle Belmont is having a dinner party It seems a strange occasion her husband Winn has lost his bid for the state legislature but what better way to thank key supporters than a feast Liselle was never sure about her husband becoming a politician never sure about the limelight never sure about the life of fundraising and stump speeches Then an FBI agent calls to warn her that Winn might be facing corruption charges An avalanche of questions tumbles around her Is it possible he s guilty Who are they to each other who have they become How much of herself has she lost and was it worth it And just this minute how will she make it through this dinner party Across town Selena Octave is making her way through the same day the same way she always does one foot in front of the other keeping quiet and focused trying not to see the terrors all around her Homelessness starving children the very living horrors of history that made America possible these and other thoughts have made it difficult for her to live an easy life The only time she was ever really happy was with Liselle back in college But they ve lost touch so much so that when they ran into each other at a drugstore just after Obama was elected president they barely spoke But as the day wears on memories of Liselle begin to shift Selena s path Inspired by Mrs Dalloway and Sula as well as Audre Lorde s Zami Asali Solomon s The Days of Afrekete is a deft expertly layered naturally funny and deeply human examination of two women coming back to themselves at midlife It is a watchful celebration of our choices and where they take us the people who change us and how we can reimagine ourselves even when our lives seem set
