The Politically Incorrect Lexicon Peter Mullen, 2012-05-01 In this lexicon Peter Mullen exposes the hidden meanings secret definitions and doublespeak of the modern English language as used by the politically correct Schaller's Politically Incorrect Conservalexicon Joseph Schaller, 2016-03-04 We live in an Orwellian political world of propaganda and indoctrination Deception is the method for grasping power and control Dedicated Republicans are even confused regarding history economics science and conservative principles I present a list of appetizing words terms expressions myths facts and definitions conflicting with the prevailing paradigm of acceptable ideology language and notions of political correctness My lexicon is meant as an essential resource for any and all who seek to achieve enlightenment and break the cycle of cultural indoctrination Rather than read a book from front to back my lexicon allows you to surf through a menu of appetizers skipping those that may not appeal to your palate while still lingering at a buffet of goodies represented in your chosen chapter
