from Beauty and the Beast When she enters the World of Grimm Jane comes across the Beast and she s instantly struck with a need to help him What Jane doesn t understand is that his curse is nothing like the ones in the fairy tales Monster of Monsters 1 Part One Mortem s Opening Light and darkness All Kein wanted was to be devoured As an orphan she had been told since joining her school that it was very important that a house or clan devour her so when she met a creature promising to devour her she was confused at first but then she was consoled that someone wanted her A world of monsters and a world of humans Loneliness can be a very strong emotion but it can also be a very strong motivator so even when a creature of the darkness invited her to come to her innocence heeded the call Kein began an adventure of heartache and joy as she walked the paths of shadow and light She would discover what it was to be devoured as a dangerous game drew her into a deadly realm of wishes revenge hope desire love and horror The Life of his Royal Highness the Prince Consort Theodore Martin,2023-12-23 Reprint of the original first published in 1875 **Fleet Air Arm Boys** Steve Bond,2020-11-18 A history of the Royal Navy s FAA since 1945 featuring a survey of the aircraft flown the conflicts fought and the daily life of those in service The RAF s continuing role in the projection of air power in the defence of the United Kingdom and its overseas interests since the end of the Second World War is well known However the same cannot always be said about the Royal Navy s Fleet Air Arm FAA in part due to the ten year gap between the retirement of the Harrier and the arrival of the F 35B and the Queen Elizabeth class aircraft carriers Flying high performance aircraft off a carrier demands not only a high level of skill but also a considerable amount of courage and determination not least to land back on a very small piece of real estate bobbing about in a rough sea often at night with no possibility of diversion The nature of these operations has meant that the accident rate and aircrew losses were very high and accepted as part of the job With the arrival of the Queen Elizabeth and the Prince of Wales it is time to redress the balance and bring the FAA s extraordinary story to the audience it so richly deserves through the words of those air and ground crews who have been part of it since 1945 What emerges is an amazing close knit esprit de corps often accompanied by a long standing and still simmering rivalry between the RAF and the Royal Navy over who should project air power overseas Enormous respect is shown by the aviators and ships senior officers for the aircraft handlers and maintainers who work long hours in a highly dangerous environment on the flight deck This first volume looks chronologically at every aircraft type flown in an air defence role since 1945 Involvement in conflicts including Korea Suez the Falklands Bosnia and elsewhere is included and perforce the cost in human lives even in everyday operations frequently emerges Balancing this are the everyday grind the good times the humour the runs ashore and the sense of pride in a job well done All delivered in the words of the men themselves **The Boy's Book of Heroes** Helena Peake,1872
