The Power Of A Positive No Library Edition:

Routledge Library Editions: The Labour Movement Various,2021-07-28 This set of 44 volumes originally published between 1924 and 1995 amalgamates a wide breadth of research on the Labour Movement including labour union history the early stages and development of the Labour Party and studies on the working classes This collection of books from some of the leading scholars in the field provides a comprehensive overview of the subject how it has evolved over time and will be of particular interest to students of political history

Routledge Library Editions: Sociology of Religion Various,2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

Routledge Library Editions: Social and Political Thought in the Nineteenth Century Various Authors,2022-07-30 This set reissues eight books that explore the social and political thought of the nineteenth century The titles in this set originally published between 1943 and 2001 examine several of the important figures of the time including Jeremy Bentham and Thomas Carlyle whilst also examining political movements and the emergence and growth of libertarian thought This set will be of particular interest to students of social and political history

Routledge Library Editions: Development Mini-Set E: Development and the Environment Various,2022-07-30 Routledge Library Editions Development will re issue works which address economic political and social aspects of development Published over more than four decades these books trace the emergence of development as one of the most important contemporary issues and one of the key areas of study for modern social science The books cover the most important themes within development and include studies of Latin America Africa and Asia Authors include Sir Alexander Cairncross W Arthur Lewis Lord Peter Bauer and Cristobal Kay An extensive collection of previously hard to access or out of print books this set presents an unrivalled opportunity to build up a wealth of material in the field of development studies with a particular focus upon economic and political concerns The volumes in the collection offer both a global overview of the history of development in the twentieth century and a huge variety of case studies on the development of individual nations

Routledge Library Editions: Women and Politics Various,2021-06-23 Routledge Library Editions Women and Politics 9 Volume set presents titles originally published between 1981 and 1993 The set draws attention to the importance of women and how their presence and active involvement in politics and related fields during the twentieth century has been crucial throughout the world

Routledge Library Editions: Milton Various,2021-07-14 This set of 9 volumes originally published between 1965 and 1991 amalgamates a wide breadth of research on John Milton with a particular focus on his epic poem Paradise Lost This collection of books from some of the leading scholars in the field provides a comprehensive overview of how Milton criticism has evolved over time and will be of particular interest to students of English Literature

Routledge Library Editions: Idealism Various,2022-07-30 Spanning the twentieth century this 4 volume set contains titles originally published between

1935 and 1990 The volumes explore the concept of Idealism from its roots in the theories of Plato discussing many other philosophers and their perspectives as views have developed through the centuries to more modern interpretations

Psychology Library Editions: Emotion Various, 2022-07-30 Emotion or affect is a cross disciplinary subject in psychology Psychology Library Editions Emotion makes available again twelve previously out of print titles that were originally published between 1976 and 1999 either as a set or as individual volumes in your choice of print or ebook Written by a range of authors from diverse backgrounds and spanning different areas of psychology such as clinical cognitive developmental and social the volumes feature a variety of approaches and topics This is a great opportunity to trace the development of research in emotion from a number of different perspectives

Psychology Library Editions: Comparative Psychology Various Authors, 2022-07-30 Psychology Library Editions Comparative Psychology 16 Volume set brings together a number of titles which explore animal behaviour and learning some in isolation but mostly comparing it with human behaviour Research in this area looks at many different issues using various methods and examines species from insects to primates The series of previously out of print titles originally published between 1928 and 1997 with the majority from the 1970s and 1980s includes contributions from many highly respected authors

The Geopolitics of Domination (Routledge Library Editions: Political Geography) Geoffrey Parker, 2014-10-03 Using the examples of the Ottoman Empire Spain Austria France and Germany this book describes the principal geopolitical features of the expansionist state It then presents a model of the operation of the expansionist process over space and time It goes on to apply the geopolitical characteristics of the model to the period after 1945 in order to assess the extent to which the Soviet Union might be considered as being an expansionist state either actually or potentially This latter question is obviously once more extremely relevant with the current events in Ukraine
