Quest 3 James Malcolm,2016-04-08 A few short years of peaceful cohabitation are once again suddenly interrupted by yet another kidnapping but this time the intentions are far more brutal in nature and the hopes of a second liberation require the entangled spells of mortal and immortal alike in a battle of wit and magic to rescue the monarch and others from a perverse fate worse than death itself

ANThology 5 James Malcolm,2014-02 Queen Amy and the freedom fighters of Silver City knew it was only a matter of time before they'd be forced to faceoff against the overwhelming numbers of her mother's invading black army Queen Cassandra's soldiers were slowly crossing the breadth of the grassland to meet their rivals on the field of battle and wipe out the impertinent threat once and for all The Black Queen's prior encounters with the upstart colony had challenged her authority and disrespected her status as territorial monarch which was a matter of opinion between the two sides leaving Amy's mother no other choice but to confront her daughter face to face The imminent invasion was all about power control and covering up the deep dark secrets from the past While the evil monarch had the larger force capable of easily crushing her adversaries Silver City's freedom fighters weren't about to go down quietly They knew intelligence and a creative imagination were their strengths and using them to outsmart an overconfident black army was their only hope but a good one The colony had a few surprises waiting for their uninvited guests and allies who believed in their cause which with a little luck could change the outcome in their favor

ANThology 4 The Banished Princess

James Malcolm,2014 The flag was flapping held high in the air by Ricky as the ants rounded the corner of the barn on their new mission to save Rusty from the wrath of the queen Ricky couldn't have been happier after missing out on the last adventure because of his sore leg Digger and Luna raced across the dirt behind the barn along with their forty passengers The rescuers were on their way to the expanse of the field and the forest beyond which held the bleak colony of the Black Queen The rabbit and the mouse kicked up a cloud of dust as they galloped toward the fence line encompassing the grassy meadow The ants had become very familiar with the sights of the field having spent so much time exploring it from the ground or in the air on their past adventures While most of the ants had experienced the wild ride on the two critters there were a few rookies who spent as much time in the air as they did sitting down The new recruits hung on for dear life as they entered unfamiliar territory for the first time

Anthology 6 James Malcolm,2015-09-22 Uniting the five colonies was critical for the freedom fighters to overcome the dominance of the Black Queen Standing together they had a chance to determine their own destiny but apart there was little hope of escaping the tyranny of Casandras ghastly domination and with Silver City's queen lost in the storm there was no one else who could convince the outlying colonies to stand against the two wicked sisters The termite queen couldn't do it since she was a natural born enemy and no other ant held a high enough

rank to address such issues with ruling monarchs Queen Amy had to be found before it was too late to prevent the looming annihilation of her colony or others and the freedom fighters were using every resource at their disposal to find out what happened to their influential queen who was brave enough to defiantly stand against her own mother
