United States,2013 The United States Code is the official codification of the general and permanent laws of the United States

The 2012 edition of the Code incorporates laws enacted through the One Hundred Twelfth Congress Second Session the last
of which was signed by the President on January 15 2013 It does not include laws of the One Hundred Thirteenth Congress
First Session enacted between January 2 2013 the date it convened and January 15 2013 By statutory authority this edition
