Just Like Starting Over Deborah Cooke,2025-08-21 Once burned twice shy That s how it s supposed to work I thought I d learned my lesson after falling for Mike Cavendish in high school Sixteen years ago all my dreams were coming true then everything went wrong in one disastrous night It s so much more than a broken heart and a loss of trust It s raising a daughter alone abandoning your old life to make a new one and being defined by your roles rather than your dreams The only bright light is Sierra herself a wise child who has taught me so much in her fifteen years She is everything to me It s because of Sierra that we ve come back to my hometown of Empire to help my bestie Merrie launch her dream The Carpe Diem Caf I m sick of avoiding the past and I miss my grandmother Why have I let Mike take that away from me and from Sierra I m sure I m over him by now I don t expect him to turn up looking better than ever much less acting as if he still cares pretending he doesn t know that Sierra is his wanting to start all over again It s a proposition that I know I should refuse but it s Mike And he s not the same guy I knew Oh he s still quiet and thoughtful but tougher more direct and a whole lot hotter He can make all of Sierra s dreams come true without even trying and when he decides to make me believe in forever again I don t think I can resist just one night Can I trust Mike s promises again More importantly can I take a chance and let myself fall head over heels again with the man who has always been my one and only
