Stories Investing Simplified:

INVESTING SIMPLIFIED Jaganmohan Reddy A.,2024-02-15 This book is for busy working professionals like IT doctors engineers As a busy working professional you need to spend most if not all of your time and energy to do well in your respective professions in addition to your family responsibilities and social life This book introduces you to new concepts and practical steps of investing to build wealth over the long term without demanding your most valuable resource TIME As a busy working professional you don t have time to understand stocks and focus on the daily stock market movements You are working 8 hours every day on your day job and need time for other family responsibilities and are pressed for free time to enjoy life You do need to focus on learning new skills in your profession to progress in your career in this fast changing technology world These concepts and practical steps helped me and a group of friends around to build long term personal wealth It helped me recover the money I lost in the 2000s dot com stock market crash and build wealth in the stock market over the long term with very limited time and stock market knowledge *Income Investing Explained: Your Questions Answered* Henry Mah,1900 After writing two books about Income Investing I have been contacted regularly by readers with questions and requests for more information It s not often one feels compelled to write a book because of questions from readers but that s exactly how this book came about It s not that readers didn t understand the process I described it s just that people wanted more details had specific suggestions and needed more information about making investing decisions especially during different and difficult market conditions In essence people wanted an advanced outline to build upon the process described in my earlier books So the purpose of this book is not to repeat the process of stock evaluation which is the foundation of my earlier books but to provide further explanations and examples to help when making investing decisions Where to find ideal stocks for Income investing How to determine under valued stocks How many stocks should you hold and in which sectors When to sell even your long time good stocks What happens and how your decisions might change during a market crisis Is it ever too late to start investing for income I ll also introduce a new Excel worksheet to help readers determine under valued or expensive stocks directing you to a new website for obtaining dividend data and even provide a list of 45 Canadian and 35 US stocks from which to begin your selection of quality income growth stocks As always these are my opinions and not professional financial advice So if you have the time and want to learn more let s continue talking about Income Investing *The 3 Simple Rules of Investing* Michael Edesess,Kwok L. Tsui,Carol Fabbri,George Peacock,2014-06-16 Don t believe the hype Tips from financial professionals on recognizing and avoiding overpriced overcomplicated and overly risky investments What if the most effective investment portfolio was also the easiest to manage and the least expensive As the authors of this clear practical and enlightening book part financial guide part expos prove there are just three simple rules you need to follow and only a few very inexpensive investment products that are necessary for an ideal portfolio The authors deftly bust investing s myths what they call investing s Seven Deadly Temptations and

dispense with all the complicated confusing and self serving advice of the Wall Street wolves By embracing commonsense solutions and rejecting investments that seem enticing but are overpriced needlessly complex and risky you ll put not only yourself in a stronger position but the entire economy as well
