Creative Writing Prompts Kids Ebook:

101 Creative Writing Activities (eBook) Tracey Ann Schofield, 2000-03-01 I don't know what to write about is the common response when kids are asked to indulge in creative writing. This lively collection of unique writing activities will quiet that complaint forever. The 101 fun and functional creative writing activities in this book were designed to stimulate the interest and creativity of children. The author's philosophy is if it's fun, kids will do it, is obvious in such whimsical ideas as having students write 10 ways to complete the sentence "If I were a ___ I would ___" or challenging them to write home remedies for the common cold, a headache, sibling rivalry, homework overload, etc. These writing activities encourage kids to write about what they know best, themselves, and turn writing practice into a time of self-expression. Students will find pleasure in the writing process using these ideas. *Getting Kids to Write! (ENHANCED eBook)* Greta Barclay Lipson, 2000-03-01 Make it easy and fun for your students to write with these imaginative activities. Includes examples of writing for suggested topics, ideas for discussion, ways to encourage ongoing student-generated ideas, a wide range of writing opportunities in all genres from fiction to nonfiction, and more. *Writing Center Prompts, eBook* Trisha Callella, 2001-03-01 Provides activities and materials designed to reinforce language skills.

101 Social Studies Activities for Curious Kids (eBook) Tracey Ann Schofield, 2000-03-01 101 Social Studies Activities for Curious Kids is a unique collection of easy and enjoyable writing activities designed to stimulate social awareness, creative thinking, and self-expression in children ages six and older. Embracing the author's philosophy that if it's fun, kids will do it, this book lets children explore the fundamental nature of community by getting them to write about what they know best, themselves. Divided into five critical social science strands: Relationships, Rules and Responsibilities, Traditions and Celebrations, Days Gone By, My Community, and The Global Village, this book uses simple directions and descriptive written examples to lead children through 101 timeless activities that will help them to establish important connections between past, present, and future, to develop a basic understanding of heritage and citizenship, and to begin to decipher their role as social beings in the local community and society at large. **EBOOK:**

Bowkett, 2010-08-16 This exciting practical resource is full of immediately usable activities to help children develop their literacy skills and creative writing abilities.
