Mindfulness and Acceptance Steven C. Hayes, Victoria M. Follette, Marsha Linehan, 2004-08-31 This volume examines a number of increasingly popular therapies that have emerged over the last decade and that share an emphasis on such nontraditional themes as mindfulness acceptance relationship values and spirituality Leading scientist practitioners provide detailed descriptions of their respective approaches discussing theoretical and empirical bases as well as clinical methods and goals Promising applications are presented for treating a variety of challenging clinical issues and problems including depression anxiety couple conflict PTSD eating disorders and substance abuse Illuminated are the ways in which indirect and experiential change strategies are being integrated with established cognitive and behavioral techniques and what this means for the future of psychotherapy research and practice

A History of Mindfulness Bhikkhu Sujato, 2011-07-18 The Satipa h na Sutta is the most influential scripture in Buddhist meditation It is the foundation text for the modern schools of vipassan or insight meditation The well known Pali discourse is however only one of many early Buddhist texts that deal with mindfulness This is the first full scale study to encompass all extant versions of the Satipa h na Sutta taking into account the dynamic evolution of the Buddhist scriptures and the broader Indian meditative culture A new vision emerges from this groundbreaking study mindfulness is not a system of dry insight but is the way to convergence leading the mind to deep states of peace
