Bean, Judith Dunkerly-Bean, Helen J. Harper, 2013-02-14 Teaching Young Adult Literature Developing Students As World Citizens by Thomas W Bean Judith Dunkerly Bean and Helen Harper is a middle and secondary school methods text that introduces pre-service teachers in teacher credential programs and in-service teachers pursuing a Masters degree in Education to the field of young adult literature for use in contemporary contexts The text introduces teachers to current research on adolescent life and literacy the new and expanding genres of young adult literature teaching approaches and practical strategies for using young adult literature in English and Language Arts secondary classrooms and in Content Area Subjects e.g History and ongoing social political and pedagogical issues of English and Language Arts classrooms in relation to contemporary young adult literature Using Literature to Support Skills and Critical Discussion for Struggling Readers Nancy S. Williams, 2004-03-18 Emphasizing the need to develop higher level thinking skills and critical discussion with intermediate

and middle school struggling readers Williams uses quality children's literature as a springboard to help readers understand and use descriptive vocabulary and figurative language make personal connections with text create and solve text related mathematical problems promote an active engaged discussion and critical analysis of the story and the important issues raised in text extend meaning through research and writing art and drama To help teachers match student to text literature selections are categorized according to interest e.g. mystery sports humor identity solving problems genre and include reading level interest level and number of pages Discussion questions and extension activities _specific to over 100 children's literature selections _provide opportunities for students to ask questions discuss and use descriptive language make predictions and inferences evaluate story elements and critically reflect on character perspectives and social issues raised in the text All questions are appropriate for individual work special education classrooms general education and inclusion classrooms and help teachers facilitate literature discussion groups book club discussion and response writing self regulated reading guided reading and whole class discussions

Adolescents in the Search for Meaning Mary L. Warner, 2006-03-03
As is painfully evident from the reports of school shootings gang violence dysfunctional family life and from statistics on adolescent suicide many teens live troubled lives Even those who live a normal life still face the challenges adults face but teens are also engaged in establishing independence and finding their identity However few adolescents have the same resources as adults for surviving life challenges Building from the idea that story is a powerful source of meaning particularly those stories that resonate with our own lives this book suggests that the stories of other young adults offer a resource yet to be fully tapped *Adolescents in the Search for Meaning* begins from the perspective of young adults by sharing the results of a survey of over 1400 teens and also includes the insights of authors of Young Adult Literature The book presents over 120 novels that teens have identified as meaningful as well as books recommended by YA authors and experts in the field of YA literature For any teacher librarian parent or counselor wanting to reach young adults this book is ideal

Reading Raps

Rita Soltan, 2005-12-30 Book clubs are sprouting up all over and so are book club guides but not all book club guides are equal Many focus on a specific type of book club or they take a generic approach of one size fits all and most do not take into account the special needs of librarians and educators working with young readers This guide has it all and it will help you ensure that your book club meetings are both fun and educational Focusing on children in grades 3-8 and their families the book offers 100 ready made book club instructions for popular children's and YA titles from newer releases such as Theresa Nelson's *Ruby Electric* and Blue Balliett's *Chasing Vermeer* to perennial favorites and award winning classics such as Johanna Hurwitz's *Much Ado about Aldo* and Gary Soto's *Baseball in April* and *Other Stories* Along with thought provoking discussion questions you'll find all the background information you need to conduct lively book discussions with a variety of readers plot summary themes and characters description genre reading level author and award information related reads and more The guide describes four types of family oriented book clubs family mother daughter father son and readers rap as

well as a book club for kids only The author provides practical instructions for making each type of book club successful For each title she provides a plot summary characterization sketches questions to use for provocative discussion and follow up bibliographies on similar reads Notes on genres themes and reading levels are also provided The selected titles reflect some of the best most current and most popular children s literature In addition a broad scope of genres and multicultural titles are included Perfect for public library programs and after school book clubs this is a one stop resource with practical ready made plans that can easily be adapted to multiple environments Grades 3 8 **The Publishers Weekly** ,2002
