**Mystic relationships** Vandana Engineer, 2021-08-26 A dream to accomplish a family to feed and between all this a flirtatious blend of thrilling events encountered by one and only Dilpreet Singh AKA Preet, a smart well composed hunk preferably a casanova who travels to Thailand with high hopes. His story revolves around his predominant talent of cooking and his seemingly questionable fetish of women. Throughout the story he finds that his overpowering feeling of worshipping women influences his way of thinking and also of his bond with them. Thanks to a middle aged Pakistani woman he found online who changes his entire perspective and ends up marrying her daughter. Mystical relationships can be described something within the purview of love but way beyond what human emotions can reciprocate: friendship, sexual attraction, intellectual compatibility and of course love. Love is the glue that keeps a relationship strong and solid. However what does love mean can be summarized as an intense feeling of euphoria and deep affection that makes us cling to someone and how women could be far more abstract and profound than just winsome bodies and how young men ought to nurture the relationships with women in their lives whom they are controversially attracted to. This book allows readers to contemplate their emotional bonding with their loved ones with an open mind and a hearty soul. *Predictable* Denise

It's based on six couples and all of the things that can go wrong in your life and that can also go right. To Carle is the one that's supposed to be so predictable but out of her control things happen to her. And she can't believe that she allowed herself to get caught up in all of this mess and it was her own husband that does it to her. You think some times that you
