Damage Conrad Riker, Are you tired of constantly hearing about the progress of feminism while feeling like you're being left behind? Do you feel like your rights as a man are being compromised in the name of gender equality? Are you concerned about the future of your family and society as a whole? This powerful book sheds light on the underreported consequences of modern feminism and its impact on men's rights, family structures, and societal norms. A comprehensive analysis of the origins and progression of feminism, exploring its major milestones and shifts over time. An exploration of the impact of feminism on men's rights, examining the areas where it has negatively affected men. A discussion on the father's role and rights when it comes to abortion decisions and the potential impact on the child. An examination of the consequences of family court decisions on families, with a focus on collateral damage to children. An analysis of no-fault divorce laws and their impact on marriages, regardless of emotional state. A discussion on the use of consent theory to criminalize sex within marriage and how it can be manipulated by the whims of women. An overview of the global decline in birth rates, exploring potential contributing factors. A critical look at the influence of feminism on women's career choices and how this impacts personal lives and relationships. An exploration of the power dynamics of female voting blocks and their impact on executive positions. An in-depth analysis of the connections between feminism and cultural Marxism, including the use of Hegelian dialectic to force societal change. If you're ready to understand the true impact of modern feminism and how it is affecting your rights and your family, then this book is a must-read. Buy it today and join the growing movement of individuals who are standing up to protect the future of our society.

You Must Become an Algorithmic Problem José Marichal, 2025-09-16 In the age of AI, where personal data fuels corporate profits and state surveillance, what are the implications for democracy? This incisive book explores the unspoken agreement we have with tech companies: In exchange for reducing the anxiety of an increasingly complex online world, we submit to algorithmic classification and predictability. This reduces incentives for us to become algorithmic problems with dire consequences for liberal democracy. He calls for a movement to demand that algorithms promote play, creativity, and potentiality rather than conformity. This is a must-read for anyone navigating the intersection of technology, politics, and identity in an increasingly data-driven world.

Teaching LGBTQ+ History in High Schools Stacie Brensilver Berman, Robert Cohen, 2025-07-28 Teaching LGBTQ History in High Schools: Practical Strategies and Voices of Experience offers insights, concrete strategies, and lesson plans for teaching LGBTQ history in high schools. With essays from educators, historians, and activists, it speaks to the power and significance of LGBTQ-inclusive curriculum and its greater necessity at a time when the LGBTQ community is both more visible and increasingly targeted. Across the US, challenges exist that prevent teaching LGBTQ history, including curriculum censorship laws prohibiting discussion of the LGBTQ community in schools. However, there are also grassroots movements in the US that are generating quality LGBTQ history curriculum and implementing them in secondary schools. This book shows how integrating LGBTQ content offers myriad benefits for all students, including making history more relevant and representative and reversing years of silence and erasure in the sources.

topics and narratives that students encounter throughout their education Combining insights from changemakers with practical strategies and lesson plans for teaching LGBTQ history this book will equip educators with the rationale and resources they need to effectively integrate this history into the curriculum It will also be highly valuable for pre service teachers particularly within Social Studies Education and Social Justice Education
