How do you keep it all going around the clock? And which automation tools, promotional ads, scheduling platforms and social media channels offer the greatest return on investment? For more than a decade, author Jeremy Goldman has helped companies inject social into their marketing processes. He explains the ins and outs of platforms such as Facebook, Twitter, LinkedIn, Google+, Foursquare, Instagram and Pinterest and teaches readers how to formulate a social strategy, pinpoint and cater to the right audience, give their brand a unique online voice, create relevant and engaging content, identify and reward influencers, build strong bonds with bloggers, become truly customer-centric, respond to negative feedback, use targeting to engage more effectively, turn employees into social marketers and engage with ROI in mind. The digital landscape offers unprecedented opportunities to spread the word about products and services. While other businesses struggle to transition from traditional marketing to online engagement, you'll be enacting a social media strategy that magnifies customer loyalty.
