Skoop Films Filmers Sterren Woody Allen:

Maatstaf, 1980 **Conversations with Woody Allen** Eric Lax, 2007 For more than three decades Woody Allen has been talking regularly and candidly with Eric Lax and has given him singular and unfettered access to his film sets his editing room and his thoughts and observations In discussions that begin in 1971 and continue into 2007 Allen discusses every facet of moviemaking through the prism of his own films and the work of directors he admires In doing so he reveals an artist s development over the course of his career to date from joke writer to standup comedian to world acclaimed filmmaker Allen talks about the seeds of his ideas and the writing of his screenplays about casting and acting shooting and directing editing and scoring From publisher description *The Films of Woody Allen* Sam B. Girgus, 1993-01-29 The Films of Woody Allen is the first full length study of Woody Allen the artist as opposed to the celebrity and personality and argues that Allen is a major artistic force On the cutting edge of contemporary critical and cultural consciousness Allen challenges our notions of authorship narrative perspective character theme ideology gender and sexuality A student and admirer of the classic Hollywood cinema Allen combines this appreciation for American directors with a developed sensitivity to experimental European directors such as Fellini De Sica and Bergman Probably the most widely recognized aspect of his work involves his films that experiment with narrative plot and psychology In the films dating from the early seventies Allen develops into one of America s great innovative directors as he takes his brilliant comic impulses seriously His technical literary visual and linguistic innovations introduce intensity and complexity to his humour Instead of continuing on the path of zany comedy he carefully creates films that form an original union of the serious and comic *Woody Allen's Angst* Sander H. Lee, 1997 While Woody Allen is generally considered to be a master of the comic genre he created his serious films are very important in understanding his role as one of this generation s more influential filmmakers In this work such Allen films as *Annie Hall* 1977 *Broadway Danny Rose* 1984 *Crimes and Misdemeanors* 1989 and *Mighty Aphrodite* 1995 are analyzed for the common philosophical themes they share Gender issues Allen s love hate relationship with God narcissism and moral relativism and the use of the so called existential dilemma are among the topics discussed The extensive research is augmented with a rare interview with Allen *The Ultimate Woody Allen Film Companion* Jason Bailey, 2014-10-15 A complete look at the extensive ageless unparalleled filmography of Woody Allen Writer actor director comedian author and musician Woody Allen is one of the most culturally and cinematically influential filmmakers of all time His films he has over 45 writing and directing credits to his name range from slapstick to tragedy farce to fantasy As one of history s most prolific moviemakers his style and comic sensibility have been imitated but never replicated by countless other filmmakers over the years In *The Ultimate Woody Allen Film Companion* film writer Jason Bailey profiles every one of Allen s films from his debut feature *What s Up Tiger Lily* through slapstick classics such as *Take the Money and Run* and *Sleeper* Academy Award winning films such as *Annie Hall* and *Hannah and Her Sisters* and recent gems such as *Midnight in Paris* and *Blue Jasmine* Bailey also includes essays on the

fascinating themes that color Allen's works from death and Freud to music and New York City. Getting up close and personal with the actors and actresses that have brought the iconic films to life, this book's behind-the-scenes stories span the entire career of a man whose catalog has grown into a timeless cornerstone of American pop culture. Complete with full cast lists, production details, and full color images and artwork, *The Ultimate Woody Allen Film Companion* is the ultimate indispensable reference to one of cinema's most beloved and important figures. **Woody Allen** Woody Allen, Stig Björkman, 2002. Au fil des ans, Woody Allen a composé l'image d'un cinaste secret qui se protège de l'extérieur, l'intérieur des limites de Manhattan où il critique et réalise au minimum un film par an depuis plus de 30 ans. Avec Stig Björkman, il a accepté de se livrer, de parler de son cinéma et de lui-même de chacun de ses films depuis. Prends l'Oseille et tire-toi jusqu'Hollywood Ending de sa méthode de ses rapports avec ses collègues, ses chefs-opérateurs. Lors d'une série d'entretiens qui se sont déroulés de l'été 1992 au printemps 2002 chez lui New York, peut-être parce qu'avec Stig Björkman, il a trouvé une forme de complicité de confiance du fait que celui-ci est non seulement journaliste mais aussi cinaste et qu'il connaît bien Ingmar Bergman. Au cours de nos entretiens, j'ai découvert un Woody Allen qui ne ressemble guère au personnage qu'il incarne, l'incurable, névrosé, torturé et apitoyant sans cesse sur lui-même, affligé de travers qu'il semble taler avec un plaisir quasi masochiste, son hypocondrie, son narcissisme, son indécision et ses innombrables phobies. Tout au contraire, Woody Allen est un travailleur discipliné, un décideur, un artiste sérieux et déterminé exigeant normalement de lui-même et se refusant tout compromis en matière esthétique. Stig Björkman. Les images de Brian Hamill et John Clifford, photographes de plateau, attirent l'attention de Woody Allen qui ponctuent les entretiens, témoignent de toute la force qui se transmet entre Woody Allen et ses acteurs et surtout ses actrices, Diane Keaton et Mia Farrow, bien sûr, mais aussi Dianne Wiest, Gena Rowlands, Judy Davis, Charlotte Rampling, Melanie Griffith, Uma Thurman, et du passage qui s'opère du Woody Allen réalisateur tous les Woody Allen, personnages successifs de ses films. Des mots aux images, entre le comique, le romanesque et le dramatique, c'est toute l'ampleur et la cohérence de l'œuvre de l'un des plus grands auteurs du cinéma contemporain qui se révèle au fil de cet album. **The Films of Woody Allen** Robert Benayoun, 1987. This gorgeously illustrated appraisal of the genius behind the scenes in Woody Allen films. Woody Allen himself is now updated in a paperback edition, 25 full color and 200 black and white illustrations. **Woody Allen. Film by Film.** Jason Solomons, 2015-09. **A Companion to Woody Allen** Peter J. Bailey, Sam B. Girgus, 2013-02-19. Edited by two renowned Allen experts, *A Companion to Woody Allen* presents a collection of 26 original essays on the director's films. Contributions offer a number of divergent critical perspectives while expanding the contexts in which his work is understood. A timely companion by the authors of two of the most important books on Allen to date, it illuminates the films of Woody Allen from a number of divergent critical perspectives. Explores the contexts in which his work should be understood. Assesses Allen's remarkable filmmaking career from its early beginnings and investigates the conflicts and contradictions that suffuse it. Discusses Allen's recognition as a global cinematic figure. **Woody on Rye** Vincent Brook, Marat Grinberg, 2013-12-03.

Although Woody Allen's films have received extensive attention from scholars and critics no book has focused exclusively on Jewishness in his work particularly that of the late 1990s and beyond In this anthology a distinguished group of contributors whose work is richly contextualized in the fields of literature philosophy film theater and comedy examine the schlemiel Allen and women the Jewish take on the morality of murder Allen's take on Hebrew scripture and Greek tragedy his stage work his cinematic treatment of food and dining and what happens to New York when Woody takes his films out of New York City Considered together these essays delineate the intellectual artistic and moral development of one of cinema's most durable and controversial directors
