Slayers Woman Of War:

Slayers: Woman of War Jose del Nido, 2013-10-01 Barbarian babes brandishing blades Always a fun topic of discussion but in the talented hands of painter Jose del Nido that topic transcends mere eye candy and inspires actual shock and awe These are truly stunning portraits that celebrate the terrifying beauty of fighting females Sharpened steel never looked this good

Once a Slayer Justin Waine, 2024-03-15 Marriage and War The Company of Slayers has escaped slavery and scheming enemies gaining wealth and status in the process Now real power beckons as one of their number the warrior Balinor is to marry Ascrina Strabo next in line to the throne of Kangorn just as her grandfather the current prince is ailing and treacherous forces are plotting to seize the Rock for themselves Yet there is no time to celebrate for war has come to the West Temple Knights lead an army of the faithful to besiege the fortress city of Las Ma For the Slayers in the tumult of conflict there are deals to be done and money to be made But war is unpredictable Enemies both obvious and unforeseen prepare to destroy the upstart Slayers Noble houses merchant companies and imperial agents all know one thing Kangorn has never seen an uncontested succession As plot clashes with conspiracy old loyalties will be stretched to breaking point and maybe the Company itself will not survive this test

The Cold War and Entertainment Television Lori Maguire, 2016-08-17 An essential dimension of the Cold War took place in the realm of ideas and culture While much work exists on cinema relatively little research has been conducted on this subject in relation to television despite the latter being a technology and popular cultural form that emerged during this period This book rectifies that absence by examining the impact of the Cold War on entertainment television and underlines the comparative aspect by studying programs from both blocs without forgetting of course the outsize impact of American television Although most of the focus is on the two main protagonists the US and the USSR chapters also consider programming from the UK Czechoslovakia Romania and both East and West Germany This book represents a contribution to the debate about the cultural Cold War through a rigorously comparative analysis of the two blocs For this reason the approach used is thematic The study begins by considering the subject of censorship and then goes on to look at the very particular case of the two Germanys A series of comparative genre studies follow including police and war variety shows and documentaries and docudramas Perhaps surprisingly the similarities are often greater than the differences between television in the two blocs

War Is All Hell Edward J. Blum, John H. Matsui, 2021-05-28 An examination of how Americans brought concepts of the devil demons and hell into every fabric of their lives and times in the American Civil War These influences continued to impact the nation and its people after the war

When Dragons War Susan Erikson,2018-09-25 As Christ followers we are at war Paul tells us in Ephesians that we are not at war with flesh and blood but against darkness and spiritual forces of evil i e The Dragon This war is a daily battle of competition for our hearts and these battles can be overwhelming testing spiritual equilibrium and straining hope Be encouraged We are never alone Your battles and mine belong to God When life is tough God is even more powerful He is our shield and protector He is in the trenches with us every second of every day equipping us and carrying us through to ultimate victory So beware of dragons But more importantly be aware of Christ Lean on him Come learn of his faithfulness and his power to meet you when and where you need him most As you read *When Dragons War* find assurance in God s word Find hope He will never let you go

The Backwash of War Ellen N. La Motte,2019-02-05 Banned in multiple countries for its frank depiction of the horrors of war Ellen N La Motte s *The Backwash of War* is one of the most stunning antiwar books ever published We are witnessing a phase in the evolution of humanity a phase called War and the slow onward progress stirs up the slime in the shallows and this is the Backwash of War It is very ugly Ellen N La Motte In September 1916 as World War I advanced into a third deadly year an American woman named Ellen N La Motte published a collection of stories about her experience as a war nurse Deemed damaging to morale *The Backwash of War* was immediately banned in both England and France and later censored in wartime America At once deeply unsettling and darkly humorous this compelling book presents

a unique view of the destruction wrought by war to the human body and spirit Long neglected it is an astounding book by an extraordinary woman and merits a place among major works of WWI literature This volume gathers for the first time La Motte s published writing about the First World War In addition to Backwash it includes three long forgotten essays Annotated for a modern audience the book features both a comprehensive introduction to La Motte s war time writing in its historical and literary contexts and the first extended biography of the lost author of this lost classic Not only did La Motte boldly breach decorum in writing The Backwash of War but she also forcefully challenged societal norms in other equally remarkable ways as a debutante turned Johns Hopkins trained nurse pathbreaking public health advocate and administrator suffragette journalist writer lesbian and self proclaimed anarchist
