Slobodan Milosevic Biografie:

Slobodan Milosevic and the Destruction of Yugoslavia Louis Sell, 2002-02-22 A political biography of Slobodan Milosevic by a diplomatic insider *Milosevic* Adam LeBor, 2003-08-04 This biography gives the inside of Slobodan Milosevic's childhood his marriage to Mira his rise to power the looted money the ascendancy of crime over politics his relationships with key figures with whom he dealt and finally his fall from power *Milosevic* Dusko Doder, Louise Branson, 1999-11-12 Who is Slobodan Milosevic Is he the next Saddam Hussein the leader of a renegade nation who will continue to torment the United States for years to come Or is he the next Moammar Qaddafi an international outcast silenced for good by a resolute American bombing campaign The war in Kosovo in the spring of 1999 introduced many Americans to the man the newspapers have called the butcher of the Balkans but few understand the crucial role he has played and continues to play in the most troubled part of Europe Directly or indirectly Milosevic has waged war and instigated brutal ethnic cleansing in Croatia Bosnia and Kosovo and he was indicted for war crimes in May 1999 Milosevic's rise to power from lowly Serbian apparatchik to president of Yugoslavia is a tale of intrigue cynical manipulation and deceit whose full dimensions have never been presented to the American public In this first full length biography of the Yugoslav leader veteran foreign correspondents Dusko Doder and Louise Branson paint a disturbing portrait of a cunning politician who has not shied from fomenting wars and double crossing enemies and allies alike in his ruthless pursuit of power Whereas most dictators encourage a cult of personality around themselves Milosevic has been content to operate in the shadows shunning publicity and allowing others to grab the limelight and then to take the heat when things go badly Milosevic's secretive style the authors show emerged in response to a family history of depression both of his parents committed suicide and has served him well as he begins his second decade in power Doder and Branson introduce us to the key figures behind Milosevic's rise his wife Mirjana Markovic who is often described with justification as a Serbian Lady Macbeth and the Balkan and American politicians who learned too late about the costs of underestimating Milosevic They also reveal how the United States refused to take the necessary action in 1992 to remove Milosevic from power without bloodshed not realizing that he uses such moments of weakness as opportunities to lull his opponents into traps thereby paving the way for a new consolidation of power Now in the wake of the victory in Kosovo it remains to be seen whether America will learn this lesson or whether we will allow this deeply troubled man to continue to pose a threat to European peace and security as the twenty first century dawns **Slobodan Milošević** Adam LeBor, Fred Hendriks, 2002 Biografie van de voormalige president en dictator van Servi geboren in 1941 *Milosevic* Vidosav Stevanovic, 2004-07-23 Slobodan Milosevic Belgrade's tyrant and successor to Tito Butcher of the Balkans represents in many ways the final shudder of that particularly aggressive 20th century brand of the creature that was nationalism His life story is a study in evil in the banality of evil to use Hannah Arendt's famous phrase With all the intensity and horror of personal experience Vidosav Stevanovic perhaps Serbia's greatest modern writer tells

how Milosevic a man devoid of any true qualities climbed his way to the top in slow silent murderous steps But behind the facade of a grey bureaucrat is a character of tragic near Shakespearean proportions Sloba as he came to be known had a loveless childhood son of a defrocked pastor and school teacher mother When Sloba was very young his father went insane and killed himself in front of the strange stones to which he preached every Sunday in a nearby field with a bullet to his temple Little Miriana Sloba s future wife and his succour and accomplice in politics was born in prison heralding the execution of her own mother condemned as a Nazi collaborator Stevanovic however has witnessed the greater tragedy his country s suicide Part of an ever diminishing circle of intellectuals who watched as the Milosevic machine destroyed the young nation trampling over its people and its principles his is a shattering cri de coeur for the victims It is the bitter personal lament of one man exiled as so many of his compatriots from homeland and history by the Milosevic lie Milosevic A People s Tyrant asks how a fractured country and a shattered society could believe in such a man and raise him to such power In this raging anatomy of wrong doing all are guilty those who believed those who followed those who stood and watched those who could or would not stop the tragedy from playing out Vidosav Stevanovic is a Serb himself and his searing portrait of the Milosevic psychology is a unique testament from within the biography of a dictator but also of those who made him No book will come closer to the man who made Europe shudder and toppled the Balkans into an inferno out of which it will take years to climb

believed those who followed those who stood and watched those who could or would not stop the tragedy from playing out Vidosav Stevanovic is a Serb himself and his searing portrait of the Milosevic psychology is a unique testament from within the biography of a dictator but also of those who made him No book will come closer to the man who made Europe shudder and toppled the Balkans into an inferno out of which it will take years to climb Bloomsbury Publishing **Milosevic and Markovic** Slavoljub Đukić, 2001 Yugoslavian journalist Djukic presents a biography of notorious Serbian leader Slobodan Milosevic and his wife professor Mira Markovic With particular emphasis on events in Yugoslavia and Serbia over the last two decades he describes Milosevic's rise to power the growing influence of his wife and his policies which contributed to the destruction of the country The volume does not contain bibliographical references Distributed in the US by Cornell University Services c Book News Inc **Milosevic** Adam LeBor, 2004-01-01 Offers an account of a man who started wars whose rhetoric whipped up Serb nationalism to a frenzy of ethnic cleansing and yet who retained for a decade the ability to wrap the international community round his little finger **Prosecuting Slobodan Milošević** Nevenka Tromp, 2016-04-14 This book offers a comprehensive analysis of the trial of former Serbian leader Slobodan Milošević at the International Criminal Tribunal for the former Yugoslavia ICTY With the premature death of Milošević in March 2006 his trial was left unfinished Although the traditional objectives of criminal law such as retribution justice for victims and deterrence were not achieved the Milošević trial archive is a significant historical resource for researchers from various fields This book extracts details from the collection of documentary and transcript evidence that makes up the trial record sources which would be almost impossible to extricate without an insider's guiding hand to allow readers to trace the threads of several historical narratives The value of this methodology is particularly evident in the Milošević case as acting as his own defence counsel he responded to and interacted with almost all witnesses and evidence presented against him By providing snapshots of the behaviour displayed by Milošević in court while conducting his defence in combination with passages of carefully selected evidence from an immense archive familiar to few scholars this volume reveals how these trial records and trial records in general are a truly invaluable historical source The book underlines the premise that any record of a mass atrocities trial whether finished or unfinished establishes a record of past events contributes to interpretations of a historical period and influences the shaping of collective memory This book will be of much interest to students of the Former Yugoslavia war crimes international law human rights international relations and European politics
