Hahn,2025-05-15 In 1718 the British crown in the Bahamas pardoned 209 mariners accused of piracy In A Pirate s Life No More Steven C Hahn explores the lives of these retired pirates While there are a number of famous names on that list Benjamin Hornigold Charles Vane and Palsgrave Williams for example the vast majority of the pardoned are mostly nobodies By focusing holistically on pirates and on the pirates who aren t famous the book reclaims their humanity connects the story of piracy at sea with the land based communities that sometimes supported it and illuminates the entangled histories of far flung places in the Atlantic world This study reveals that for most individuals forays into piracy were fleeting and opportunistic Moreover class age and regional divisions beset the pirate community thereby precluding adherence to any single ideology justifying their actions The pardon was most attractive to mariners possessing greater social and economic capital which explains why so many of them were able to return to their homes and quickly return to honest maritime work In addition to the standard sources employed by maritime historians Hahn utilizes local administrative records from Britain and its American colonies such as property court and church records In so doing he sheds new light on the ordinary activities in which the sailors were engaged when not involved in piracy and explores how they coped in the Bahamas and elsewhere after being pardoned What emerges in this collective biography then are pirates who were mariners of course but also husbands fathers parishioners and property owners **Pirates!** Jan Rogozinski,1996-08-21 In more than a thousand entries this encyclopedia impeccably researched internationally focused and extensively cross referenced reveals the actual lives and exploits of pirates and the diverse worlds from which they sprang from the Etruscan and Phoenician marauders off the coast of ancient Greece to the Chinese and Malay pirates of the 1870s Pirates encompasses historical pirates like Madame Cheng I Sao Captain William Kidd Sir Walter Raleigh and Edward Blackbeard Teach fictional buccaneers like Anne Bonny Captain Blood and Long John Silver every important and noteworthy novel play poem ballad opera and movie portraying pirates pirate slang havens types of ships weapons symbols practices and pleasures a listing of the richest booty ever captured over a hundred illustrations with more than a dozen paintings by
