*Small Christian Communities Today* Joseph G. Healey (m.m.), Jeanne Hinton, 2011      *Small Christian Communities Today* Joseph G. Healey, Jeanne Hinton, 2006      *Small Christian Communities Today* Joseph G. Healey, Jeanne Hinton, 2005 How can churches in America modeling the oldest Christian communities renew themselves from within They can look to examples of thriving small Christian communities within their own country and throughout the world This inspiring book shows what is happening now across six continents to give pastors and lay leaders of every denomination encouragement through useable examples from their counterparts around the world      *The Catholic Ethicist in the Local Church (CTEWC Series)* Autiero, Antonio, Magesa, Laurenti, 2018-04-24      *Ecclesial Movements and Communities* Brendan Leahy, Breandán Leahy, 2011 Leahy presents the movements as examples of the Church's charismatic dimension a principle which Pope John Paul II described as co-essential with the hierarchical institutional dimension Rev Brendan Leahy is Professor of Systematic Theology at the Pontifical University of St Patrick's College Maynooth in Ireland He is a von Balthasar scholar and an ecumenist and has also written articles and books on interreligious dialogue issues facing the Church in the 21st century renewal in the Church and the priesthood      **Handbook of African Catholicism** Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism      **The Changing World Religion Map** Stanley D. Brunn, 2015-02-03 This extensive work explores the changing world of religions faiths and practices It discusses a broad range of issues and phenomena that are related to religion including nature ethics secularization gender and identity Broadening the context it studies the interrelation between religion and other fields including education business economics and law The book presents a vast array of examples to illustrate the changes that have taken place and have led to a new world map of religions Beginning with an introduction of the concept of the changing world religion map the book first focuses on nature ethics and the environment It examines humankind's eternal search for the sacred and discusses the emergence of green religion as a theme that cuts across many faiths Next the book turns to the theme of the pilgrimage illustrated by many examples from all parts of the world In its discussion of the interrelation between religion and education it looks at the role of missionary movements It explains the relationship between religion business economics and law by means of a discussion of legal and moral frameworks and the financial and business issues of religious organizations The next part of the book explores the many new faces that are part of the religious landscape and culture of the Global North Europe Russia Australia and New Zealand the U S and Canada and the Global South Latin America Africa and Asia It does so by looking at specific population movements diasporas and the impact of globalization The volume next turns to secularization as both a phenomenon occurring in the Global religious North and as an emerging and distinguishing feature in the metropolitan cosmopolitan and gateway cities and regions in the Global South The final part of the book explores the

changing world of religion in regards to gender and identity issues the political religious nexus and the new worlds associated with the virtual technologies and visual media      *Voices from the Borderland* Chris Shannahan,2016-04-01 Urban theology affirms the importance of context notably the place of the city in theological reflection However it has often been confined to particular contexts or theological camps and thus failed to engage with the fluidity of contemporary urban societies *Voices from the Borderland* presents an overview of urban theology arguing that the twenty first century demands a dialogical model of theology that enacts progressive change The volume draws on studies of the multicultural and multi faith British urban experience and situates these within the wider international context The works of influential theologians in the field are examined and the dialogue between theology globalisation post colonialism postmodernism and post religious urban culture critically explored The volume is unique in bringing together urban liberation theology urban black theology reformist urban theology globalisation urban theology and post religious urban theology      **Growing Young Leaders** Donald Smith,2025-02-14 This book fills in gaps in research on leadership development programs for youth through taking the opportunity to research a long standing leadership development program for young men that has evidenced some success The research question was What factors contribute to the apparent success of the Boys Brigade leadership program Using a grounded theory methodology the program was examined through the lenses of communitas liminality servant leadership masculine spirituality rites of passage and wilderness Research findings are that program is characterized by its uniqueness and the final theory that emerged identified the importance for youth ministry of acceptance imperfection and freedom and empowerment within an overarching spiritual dimension evidenced throughout the study most remarkably through the positive response to worship Staff factors were also critical including the description of the staff team as being multi generational non hierarchical and servant led not placing a high value on differentiation of status and allowing a seamless transition of course graduates into staff roles      **Pope Francis and the Search for God in America** Maria Clara Bingemer,Peter J. Casarella,2021-06-25 In *Tutti Fratelli* Pope Francis has called again for a culture of encounter But how should his theology pastoral practice and social message be understood and applied in the Church of the Americas a single but complex reality that extends from South to North This volume offers analyses from experts looking back to the Argentine pontiff's first fateful encuentros in the Americas as a help for understanding the present reality of the Church in the Western Hemisphere The group includes theologians historians and political scientists and the unique contribution of the volume lies in the panoramic perspective offered by the book as a whole The initial essays set the stage for the volume as a whole offering rich insight into Argentine and Latin American history the world from which the Pope came and to which he returned in 2015 as well as surveying the impact of the Latin American theology of the people on the Pope's visit to the U S Additional essays address theological historical and pastoral engagements that cut across several of the visits The final group of essays is dedicated to the visits themselves and is arranged in the order that they occurred Pope Francis and the Search

for God in Am rica is offered to all the members of the Church in Am rica South and North old and young with the hope that it will spur even more thought reflection prayer and service
