The Dark Fantastic Ebony Elizabeth Thomas, 2020-09-22 Winner 2022 Children's Literature Association Book Award given by the Children's Literature Association Winner 2020 World Fantasy Awards Winner 2020 British Fantasy Awards Nonfiction Finalist Creative Nonfiction IGNYTE Award given by FIYACON for BIPOC in Speculative Fiction Reveals the diversity crisis in children's and young adult media as not only a lack of representation but a lack of imagination Stories provide portals into other worlds both real and imagined The promise of escape draws people from all backgrounds to speculative fiction but when people of color seek passageways into the fantastic the doors are often barred This problem lies not only with children's publishing but also with the television and film executives tasked with adapting these stories into a visual world When characters of color do appear they are often marginalized or subjected to violence reinforcing for audiences that not all lives matter The Dark Fantastic is an engaging and provocative exploration of race in popular youth and young adult speculative fiction Grounded in her experiences as YA novelist fanfiction writer and scholar of education Thomas considers four black girl protagonists from some of the most popular stories of the early 21st century Bonnie Bennett from the CW's The Vampire Diaries Rue from Suzanne Collins's The Hunger Games Gwen from the BBC's Merlin and Angelina Johnson from J.K. Rowling's Harry Potter Analyzing their narratives and audience reactions to them reveals how these characters mirror the violence against black and brown people in our own world In response Thomas uncovers and builds upon a tradition of fantasy and radical imagination in Black feminism and Afrofuturism to reveal new possibilities Through fanfiction and other modes of counter storytelling young people of color have reinvisioned fantastic worlds that reflect their own experiences their own lives As Thomas powerfully asserts we dark girls deserve more because we are more

Intimacy and Identity in the Postmodern Novel Emilija Dimitrijevic, 2008 This book focuses on the themes of intimacy and identity in the contemporary novel and in particular in the novels of A.S. Byatt Angela Carter and Jeanette Winterson Not only do the specificity of the contemporary social context and a growing awareness of the relational nature of the concepts of intimacy and identity set these novels apart from earlier writing that take these issues more for granted Their very concern with the themes of intimacy and

identity also sets them apart from much postmodernist or mannerist writing that chooses to cold shoulder these arguments. The study draws on work by contemporary social theorists and philosophers and aims to examine issues which although central to the writing of these authors have been neglected or treated superficially in literary criticism. Finally it looks into the ways in which the new approaches to the question of intimacy and identity relate and contribute to contemporary debates on the postmodern novel.

Combining Aesthetic and Psychological Approaches to TV Series Addiction Sébastien Lefait, Anne-Marie Paquet-Deyris, 2018-07-26 This book establishes and then analyses the interrelation between series and dependence by focusing on two aspects of their connection: the overconsumption of TV series and the production devices that lead to it. Due to its two-sided nature, the volume brings together specialists from different backgrounds. On the one hand, it involves people working with addiction, such as psychiatrists, psychologists, and social workers, whose analytical tools and statistics are extremely useful in assessing the prevalence of TV series addiction as well as its consequences in order to make sense of its mechanics. For similar reasons, the authors also include professionals working with children and teenagers, since youths under 18 are largely affected by addictive tendencies. On the other hand, other contributions here are authored by TV series specialists, producers, and scriptwriters, as well as academics in the fields of film and TV series studies, cultural studies, and narratology. Their specific perspectives on the topic help better understand what it is about the construction or reception of TV series that aims to create, maintain, amplify, or on the contrary, curb their ingrained addictive effects.

Blood, Body and Soul Tamy Burnett, AmiJo Comeford, 2022-04-01 The ever popular Whedonverse television shows *Buffy the Vampire Slayer*, *Angel*, *Firefly*, and *Dollhouse* have inspired hundreds of articles and dozens of books. Curiously, the focus of much of the scholarship invokes philosophical, ethical, metaphysical, and other cerebral perspectives. Yet these shows are action-adventure shows telling stories through physical bodies of many varied and unique forms. Characters fight and die, suffer grave injuries and traumas, and are physically transformed. Their bodies bear the brunt of their battles against evil, corruption, and injustice. Through 17 insightful and captivating essays, this collection centers the physical spectacle of these televisual series. Chapters examine how both disabled and super-powered individuals navigate their differing levels of ability; how the practice of medicine and medical practitioners are represented; and how wellness is understood and depicted, both physically and mentally. Other essays focus on storylines involving specific body parts, the intersection of literal and metaphorical trauma, and the processes of recovery from injury, illness, and impairment. Each author offers a unique and thought-provoking analysis in an area previously underexplored or altogether missing from existing scholarship on the Whedonverse.

Social Buzz Vampire Romance Saga Introduction

In the digital age, access to information has become easier than ever before. The ability to download Social Buzz Vampire Romance Saga has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Social Buzz Vampire Romance Saga has opened up a world of possibilities. Downloading Social Buzz Vampire Romance Saga provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Social Buzz Vampire Romance Saga has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Social Buzz Vampire Romance Saga. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Social Buzz Vampire Romance Saga. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Social Buzz Vampire Romance Saga, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Social Buzz Vampire Romance Saga has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
