Spotlight Habit Building Planner

Gerard J Musante

Spotlight Habit Building Planner:

Bridging the Soft Skills Gap Bruce Tulgan, 2015-09-15 Solve the number one problem with today's young workforce the soft skills gap The number one challenge with today's young talent is a problem hiding in plain sight the ever widening soft skills gap Today's new young workforce has so much to offer new technical skills new ideas new perspective new energy Yet too many of them are held back because of their weak soft skills Soft skills may be harder to define and measure than hard skills but they are just as critical People get hired because of their hard skills but get fired because of their soft skills Setting a good example or simply telling young workers they need to improve isn't enough nor is scolding them or pointing out their failings in an annual review However you can teach the missing basics to today's young talent Based on more than twenty years of research Bruce Tulgan renowned expert on the millennial workforce offers concrete solutions to help managers teach the missing basics of professionalism critical thinking and followership complete with ninety two step by step lesson plans designed to be highly flexible and easy to use Tulgan's research and proven approach has shown that the key to teaching young people the missing soft skills lies in breaking down critical soft skills into their component parts concentrating on one small component at a time with the help of a teaching style manager Almost all of the exercises can be done in less than an hour within a team meeting or an extended one on one The exercises are easily modified and customized and can be used as take home exercises for any individual or group to guide one on one discussions with direct reports and in the classroom as written exercises or group discussions Managers and their young employees will find themselves returning to their favorite exercises over and over again One exercise at a time managers will build up the most important soft skills of their new young talent These critical soft skills can make the difference between mediocre and good between good and great between great and one of a kind

Build Better Habits GRAYSON ALDER, What if the key to lasting change wasn't in massive action or endless motivation but in small simple shifts made consistently over time Build Better Habits is a practical and powerful guide that helps you break free from cycles of burnout and frustration by focusing on what truly works sustainable micro level change This book isn't about overhauling your life overnight It's about understanding the invisible patterns that shape your behavior and learning how to rewire them in a way that feels natural rewarding and sustainable Through insightful reflection and actionable advice you'll discover how to create habits that last not by relying on willpower but by designing your environment identity and daily routines to work with you not against you Whether you're trying to start something new or break an old pattern this book will give you the clarity and tools you need to make meaningful progress one small step at a time Inside this book you'll learn how to Build habits so small they feel effortless and impossible to skip Anchor new behaviors to your existing daily routine Create visual and emotional cues that trigger action automatically Make good habits feel instantly rewarding and bad ones harder to access Recover quickly when you miss a day without guilt Align your habits with your evolving identity and values Build a system that grows with you not one that traps you If you're ready to stop

starting over and start building real momentum Build Better Habits will show you how to take control of your daily actions and in doing so change your life from the inside out
