Alien Orders Johnnie West, 2022-02-07. Do you know the four types of aliens that have hidden themselves amongst governments and armed services throughout the world? No, well, neither did Air Force Captain Scott Ryan until one night when he encountered a UFO while flying a training mission and was ordered by his superiors to forget what he saw. When Scott learns that airmen at his base had been experiencing the same thing, he did for years, he ignores the order and begins digging deeper. Scott's investigation quickly snowballs from innocent research into revelations of a covert war between humans and aliens and a full-blown government conspiracy and coverup. With a group of aliens known as the Naturals going extinct, they are creating more and more alien-human hybrids to ensure their survival, a process that threatens human free will and existence. With the survival of both humans and aliens at stake, Captain Ryan suddenly becomes the only man with enough knowledge to stop the Naturals or to join them.
