Carsten Busc,,Prof. Dr. Tilo Wendler,Martin Steinicke,2020-10-29 **Connected Histories** Eva Pfanzelter,Dirk Rupnow,Éva Kovács,Marianne Windsperger,2024-09-23 The World Wide Web WWW and digitisation have become important sites and tools for the history of the Holocaust and its commemoration Today some memory institutions use the Internet at a high professional level as a venue for self presentation and as a forum for the discussion of Holocaust related topics for potentially international transcultural and interdisciplinary user groups At the same time it is not always the established institutions that utilise the technical possibilities and potential of the Internet to the maximum Creative and sometimes controversial new forms of storytelling of the Holocaust or more traditional ways of remembering the genocide presented in a new way with digital

media often come from people or groups who are not in the realm of influence of the large memorial sites museums and archives Such private stagings have experienced a particular upswing since the boom of social media This democratisation of Holocaust memory and history is crucial though it is as yet undecided how much it will ultimately reinforce old structures and cultural regional or other inequalities or reinvent them The Digital space as an arbitrary and limitless archive for the mediation of the Holocaust spanning from Russia to Brazil is at the centre of the essays collected in this volume This space is also considered as a forum for negotiation a meeting place and a battleground for generations and stories and as such offers the opportunity to reconsider the transgenerational transmission of trauma family histories and communication Here it becomes evident there are new societal intentions and decision making structures that exceed the capabilities of traditional mass media and thrive on the participation of a broad public *Frankie Comics* Rachel Dukes,2020-10-21 When they discover a kitten asleep in their doorway real life artist couple Rachel and Mike immediately fall prey to her charms Soon the new queen of their home is a blue point Siamese cat named Frankie Stealing snacks making mischief and taking snuggling very seriously Frankie proves again and again the wholesome joys of a feline companion Hilarious indie comics darling Frankie Comics is collected for the first time in this full color hardcover edition purrfect for pet lovers everywhere Fans of Johnny Wander Pusheen and Chi s Sweet Home will love this collection of the hit webcomic Frankie Comics by Rachel Dukes
