Sky And Sea Gods Creation Series:

Beyond Myth: The Creation Series, Volume One Wallace R. Clausen, 2025-10-22 In Beyond Myth readers travel deep into Israel's ancient faith. There Genesis is examined through a two panel three paired days framework. Out of it emerges the surprising theme that humanity has been appointed rulers over the created order. Three interpretive tools underscore this study. Those tools and the two panel framework not only unlock the Genesis author's message but they make Beyond Myth an ideal read for collaborative study groups. This book is unlike any on the market today. From a college student seeking to understand Genesis to a parent of teens whose questions on science versus creation are befuddling or one who holds secret doubts about the veracity of Genesis with its myth like claims in which a serpent speaks and fruit gives knowledge as well as eternal life this book will reassure readers' faith. Importantly for those who wonder how Genesis 1:3 might address twenty first century America Clausen transforms antiquity's message into a relevant theological critique. Beyond Myth vaults readers into a dynamic new understanding of this ancient text, one free from mythic falsehoods from science battering the Bible and from deception as the church slips deeper into fragmentation, chaos and the despair of political darkness. Sky and Sea

Michael Carroll, Caroline Carroll, 2011-05-22 And God said Let there be a huge space between the waters. And that's exactly what happened. God called the huge space sky. Genesis 1:6-8 NIRV. In Sky Sea kids explore the water cycle of our very wet planet, the vast seas below and the great ocean of air swirling above them with its clouds full of rain and snow. From dramatic storms and crashing lightning to the aurora borealis and shimmering rainbows, amateur scientists learn how air and water work together to make this planet livable in kid friendly language and concepts. Add drawings, photos and fun facts and kids see God's wonderful blueprint for life in the vastness of the sea and sky. **In the Days of Noah: The Witness of Creation**

Series Volume Four Billy Crone, 2017-10-18 Everyone loves a good mystery and fortunately our world is full of them. This is due to the grand conspiracy that is being foisted upon us from the evolutionary establishment and hypocrisy of the modern scientific community. In essence they are covering up as much as they are digging up. Therefore this study In the Days of Noah, Giants, Ancient Technology and Noah's Ark seeks to equip you with the hard facts and solid proof concerning the true history of humanity. Here you will see actual video clips, interviews and a plethora of photographs that will unlock the answers to such mysterious questions as: Was there an advanced high tech society that was destroyed by a great deluge? How did the ancients acquire this knowledge? Did it come from UFO's or a highly advanced race of intelligent people? Who are the Nephilim? Are giants real? Is there any truth to the Greek Mythologies? Did Noah's ark really exist? Is Noah real? **The New**
