Slaying Badger Bernard Hinault Greatest:

Slaying the Badger Richard Moore, 2011-05-26 Greg LeMond L Americain fresh faced prodigious newcomer This is supposed to be his year Bernard Hinault The Badger aggressive headstrong five time winner of the Tour He has pledged his unwavering support to his team mate LeMond The team is everything in cycling so the world watches stunned as LeMond and Hinault s explosive rivalry plays out over three high octane weeks *Slaying the Badger* relives the adrenaline and agony as LeMond battles to become the first American to win the Tour with the Badger relentlessly on the attack Includes brand new material for the paperback

Slaying the Badger Richard Moore, 2015-12-15 Bernard Hinault is Le Blaireau the Badger Tough as old boots he is the old warrior of the French peloton as revered as he is feared for his ferocious attacks He has won 5 Tours de France marking his name into the history books as a member of cycling s most exclusive club Yet as the 1986 Tour de France ascended into the mountains a boyish and friendly young American named Greg LeMond threatened the Badger and France s entire cycling heritage Known as L Americain LeMond rode strongly unafraid The stakes were high Winning for Hinault meant capping his long cycling career by becoming the first man to win the Tour six times For LeMond it would bring America its first Tour de France victory Why did their rivalry shock the world LeMond and Hinault were on the same team Cyclists love this famous story but they ve never heard it told as in *Slaying the Badger* Award winning author Richard Moore has gathered the absolute best sources interviewing LeMond and Hinault in their own homes American Andy Hampsten their teammates and team directors to tell the story He tells the race through these interviews so that these narrative voices lend a fresh and fast paced tone to cycling s favorite rivalry

Bike! Richard Moore, Daniel Benson, 2012 To many the racing bicycle is a cult object a vehicle of dreams a marvel of engineering and aesthetics With such enthusiasts in mind *Bike!* Is the first book to be produced on the history of the world s most famous racing bike and component manufacturers Within its pages you will discover the beautifully illustrated story of the artisans and visionary sportspeople who joined forces to create two wheeled legends From the cradle of road biking on the plains of northern Italy to the birthplace of mountain biking Marin County California *Bike!* unmask the soul behind names like Colnago Shimano and Campagnolo Distributed throughout the book are special double page photographic features on ten landmark bikes that were the first to introduce groundbreaking technology from Maurice Garin s Ondiana cycle in the first Tour de France of 1903 to the Team Sky Pinarello Dogma of 2010 Completed by sublime photography and graphic timelines this book is the most striking tribute ever created to the craftsmanship precision and speed of the racing bicycle Edited by seasoned cycling veteran and bestselling author Richard Moore *Bike!* is the perfect book for cycling fanatics and design aficionados alike

Modern Sports around the World David Asa Schwartz, 2021-06-14 This superbly written volume will appeal to sports and physical education students researchers in foreign policy gender studies history politics sociology and technology and general high school and college readers who enjoy the odd sports history factoid Library Journal Sports have become an

international spectacle that influences nations foreign policy world economies and regional morale Hundreds of billions of dollars are at stake as governments and multinational corporations rush to make sure they have a place at the table And yet sports come from humble beginnings We are fascinated by who can run the fastest lift the most weight jump the highest swim the farthest and act with the most precision The history of sports is the history of the world Each chapter features one sport and details that sport s origins global migration economic forces media influences political environment pop culture inspirations scandalous moments and key individuals Sports history is a tapestry of sociological variables this text weaves them together to create a unique history book that explains not only where humanity has been but where it might be going

Le Fric Alex Duff,2022-06-09 The fascinating and unknown story of the Tour de France s ever changing relationship with money and power and the enigmatic family behind it all It started with a cash drop by an English spy in occupied Paris in 1944 Reserved for Resistance groups during the war the money reached milien Amaury an advertising executive who was tasked to help France return to a free press once liberated He soon launched a newspaper empire that unbeknown to him would own the rights to run what would become one of the greatest sporting events in history Le Tour once a struggling commercial phenomenon began to rise in popularity across much of western Europe in the glum years after the Second World War lifting the mood of the hungry and despondent French But with the increased interest in the event exacerbated by the creation of television and the internet came several cultural threats to national heritage Multiple attempts to wrest power and profits from the latest generation of the Amaury family who still own the race and take tens of millions of euros home in dividends have followed but not without a fight Fast paced and fastidiously researched Le Fric illustrates how moments off the bike at the Tour de France are every bit as gripping as the battle for the yellow jersey

Ethical Leadership Robert M. McManus,Stanley J. Ward,Alexandra K. Perry,2018-09-28 The world cries out for ethical leaders We expect the best but we are often left profoundly disappointed While leadership programs may feature ethics as part of their training the approach is often either simplistic or overly esoteric This book addresses this scarcity of resources for training ethical leaders providing a primer of several ethical frameworks accompanied by extended examples to help inform decision making The text also addresses several leadership models that claim an ethical component By providing a consistent case analysis based on the Five Components of Leadership Model readers benefit from a comprehensive approach to understanding ethical leadership
