Slicing Pie Funding Company Without:

Slicing Pie Mike Moyer, 2012 *Slicing Pie* outlines a simple process for making sure that the founders and early employees of a start up company get their fair share of the equity You will learn How to value the time and resources an individual brings to the company relative to the contributions of others The right way to value intangible things like ideas and relationships What to do when a founder leaves your company How to handle equity when you have to fire someone 4e de couv *Slicing Pie 2. 0 Test* Mike Moyer, 2012-03-25 AUSTRALIA NEW ZEALAND EDITION Same book different cover Great ideas are a dime a dozen but what if you have the idea but not the dime *Slicing Pie* outlines a simple process to get your business started even if you don t have a lot of cash In the early days you can use equity to get the things you need to start your company including help equipment supplies rent and even credit *Slicing Pie* explains how to calculate the fair amount of equity to the right people Learn the tricks of the trade including Calculating a theoretical value of your company Assigning value to the various inputs to your business What to do when a founder leaves your company How to handle equity when you have to fire someone This unique guide answers the tough questions for budding entrepreneurs and helps make sure they get started on the right foot *The Fairshare Model* Karl Sjogren, 2019-04-25 The Fairshare Model is an idea for a performance based capital structure that redefines capitalism at the DNA level where ownership interests are set When used to raise venture capital via an IPO it balances and aligns the interests of investors and employees capital and labor Author Karl Sjogren utilizes highly approachable language humor and analogies along with insights about capital markets The result is an eclectic yet inviting discussion that might occur in a graduate level symposium on economics finance and philosophy This groundbreaking book focuses on startup valuations microeconomics But it also considers the macroeconomic implications of the Fairshare Model for economic growth income inequality and shared stakeholding as well as game theory and financing of blockchain projects The Fairshare Model has two classes of stock both vote but only one is tradable Investors get the tradable stock Employees get it too for actual performance For future performance employees get the non tradable stock it converts to the tradable stock based on milestones With this structure public investors are more likely to profit when they invest in a company with high failure risk because they have less valuation risk By offering a better form of capitalism The Fairshare Model is a movement book for our times *Summary of Mike Moyer's Slicing Pie* Everest Media, 2022-05-02T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 All pies start out as worthless ideas They are essentially worthless in the beginning If you can produce an idea for less than people are willing to pay for it then you have built value 2 The value of the pie is based on the amount of income it is able to generate The future is uncertain so the value of a pie can vary dramatically depending on who is looking at it 3 When a company is sold the buyer purchases the entire pie and the seller s share is zero percent This is known as an exit Investors are always talking about exit strategies because they want to know how they will cash out of the business and receive a

return on their investment 4 When you put cash in a company in exchange for equity it helps set a benchmark for the company's value Whatever the investor paid for equity is generally considered a good indicator of what the rest of the world will say the company is worth **Prototype to Profit** Jason Lye, 2021-03-29 Prototype to Profit journeys taking an idea from conception to the marketplace It's intended for scientists engineers and inventors who envision new products or services and seek business guidance Patents fundraising problem solving marketing and partnering are discussed along with examples of how SARS CoV 2 has led to commercial pivots and evolved the way that business is conducted Seasoned entrepreneurs highlight additional business insights via embedded video interviews **The Entrepreneur's Soulbook** Swati

Jena, 2019-07-31 Entrepreneurship is the new engineering Every person is either an entrepreneur already thinking of becoming one or wondering if something is wrong with him or her for not aspiring to become an entrepreneur This book is for all of them If you are either inheriting the wealth of the Ambanis or have nothing worth losing in life you can go about entrepreneurship in just about any way But for most people in between entrepreneurship is an expensive decision And so we begin at the beginning Is entrepreneurship your cup of tea That is the singular question this book explores I am tired of this 9 to 5 job should I try entrepreneurship How do I convince my family Should I keep a side job When will I be ready to take the plunge The book explores many such real questions that haunt aspiring and first time entrepreneurs **Pembagian**
