EMOTIONAL INTELLIGENCE SKILLS WORKBOOK STEPHANIE. CATELLA,2024 *The Journey from I-to-WE - Companion Workbook* Glenn Cohen,2008-05 This

workbook is a supplement to the book *The Journey from I TO WE*. It encompasses the 23 step comprehensive Create an Emotionally Intelligent Relationship program developed to help individuals and couples achieve relationship success at home at work and within themselves. I highly recommend that both you and your partner have your own personal copy of the workbook. I also advise reading each corresponding chapter in the book twice before you begin the workbook exercises. The book offers in depth conceptual descriptions of the ideas and principles behind the Create an Emotionally Intelligent Relationship program along with vignettes that detail a story of a fictional couple composed from people I have coached over the years. The combined elements convey each concept skill and technique. A comprehensive program is contained within the book and workbook. The exercises will challenge you to face your fears and stretch beyond your comfort zone. You will examine many aspects of yourself, your partner and your relationship in a way you have never done before. You will be asked to be vulnerable, empathetic, courageous and honest and to accept absolute personal responsibility for your words, actions and behaviors. Working together and valuing this program is critical. You cannot succeed if you agree to participate in this journey without wholeheartedly being committed. If you take shortcuts or hold back, you will cheat your partner, your relationship and yourself. The more you put in, the more you will gain. Aim to give 101% of yourself and enjoy the full benefit of the program. Remember it takes two to Create an Emotionally Intelligent Relationship.
