2025 Edition Cli Fi Novel:

Inkbound Realms: Traversing the Landscapes of English Literature 2025 ANINDRA KUMAR BISWAS, DR. APARAJITA SHUKLA, DR NEELAM SHUKLA, DR. REVANT GAUTAM, PREFACE Literature has always been one of humanity's most enduring ways of making sense of the world. From the rhythm of ancient oral storytelling to the fluid prose of contemporary novels, the written word carries with it the weight of history, memory, and imagination. **Inkbound Realms: Traversing the Landscapes of English Literature** was conceived as an attempt to bring these diverse voices together in one journey, illuminating the traditions, transformations, and tensions that have shaped English literature across the centuries. This book is not meant to be an encyclopaedic record nor a rigid survey of authors and dates. Instead, it aims to capture the living spirit of literature, the way it reflects the concerns of its age while also transcending them. Each chapter is crafted to situate texts within their cultural and historical contexts while offering readers concrete examples and case studies that bring the material to life. Whether one encounters Chaucer's humour, Shakespeare's depth, Dickens's social vision, or Woolf's experimental prose, the intention is to show how these works remain relevant today. The work is also guided by an inclusive spirit: English literature is no longer the sole property of Britain; it is a global phenomenon shaped by writers from Asia, Africa, the Americas, and beyond. This book embraces that plurality, tracing how English has become a shared language of storytelling, capable of expressing local identities while also speaking to universal human experiences. I hope that students will find in these chapters a helpful companion to their studies, that scholars will appreciate the synthesis of tradition and contemporary insight, and that general readers will discover or rediscover the joy of reading across ages and genres. More than anything, my aspiration is that this book encourages readers to see literature not as a closed canon but as a set of open landscapes, realms bound in ink yet constantly expanding through new voices, technologies, and cultural encounters. As you embark on this journey through the inkbound realms, may you not only gain knowledge of English literature but also a renewed sense of its beauty, power, and capacity to connect us across time and place. Authors: Anindra Kumar Biswas, Dr. Aparajita Shukla, Dr. Neelam Shukla, Dr. Revant Gautam.
