hot night and an unplanned pregnancy I've always had a crush on my ridiculously handsome stepbrother Stefan. He's always been there at my side. We've played, laughed, and even cried together. But then our relationship turned weird. Anytime he was near, I found myself filled with lustful thoughts, and when he touched me, it felt like I would burst into flames. Soon, just being in his presence became too much to bear. I started avoiding him at all costs, and when I did encounter Stefan, I would act like a cold-hearted bitch to him so he would never suspect my true feelings. But sometimes the things you hide have a way of coming to light when you least expect them. This is a full-length Stepbrother Romance with an HEA, no cheating, and no cliffhanger.

Stepbrother Alpha Baby (Book 1) Wanda Edmond, 2015-08-14 Sam and Rose have been part of the same family since their parents married twelve years ago. Now they are all grown up and facing new difficulties in their lives. Sam has to run the family business all alone as his father retires, while Rose just broke up with her boyfriend of five years and ran back home together with her one-year-old baby. Rose claims that the baby's father is her ex-boyfriend, while actually she is the child of Sam. Two years ago they had spent a drunken night together with the result of Rose getting married. She never told Sam or anyone else the truth and decided to raise the baby alone if she had to. Back home, she is forced to live together with her arrogant stepbrother whom she never really liked but is strongly attracted to. The man on the other hand is more than happy to tease her to the point of entering her bathroom while she is in the shower or forcing her to accompany him to Europe. At some point, Rose realizes that the attraction between them never really died and tries to fight it. Sam, however, makes the best of it and is always there to remind Rose of her confusing feelings. At the end of the trip, she tells him that Jane is his daughter.

Stepbrothers Are Alpha Bikers And My Mates Constance Luna, 2025-09-30 Damien's hands clamped hard around my thighs, spreading me wide, making me feel obscene. His stare pinned me even before his mouth touched me, black fire in one eye, molten red in the other, daring me to resist. My breath snagged. Every part of me ached for him to finally do it, to stop teasing, but he only smirked mischievously. His breath feathered hot against the slick ache between my legs. That was all just air, just heat, and my hips betrayed me, jerking up toward his face before I could stop them. Shame scalded me, but his chuckle was darker, as if he'd been waiting for me to surrender. You want my mouth here. His voice rumbled against my skin, cruel amusement dripping from every word. Then you'll beg. I didn't ask for a new family, and I certainly didn't expect to meet them, the two dangerous, devastatingly hot biker Alphas my mother married into. They're rough, possessive, and rule the roads with iron fists. And now they've come home. They barely speak to me. They keep their distance. But their eyes burn. And when the truth unravels that I'm their destined mate, everything shatters. Now I'm caught in a web of forbidden desire, biker wars, and a bond I can't escape. I was just a girl trying to survive her mother's reckless choices. Now I'm the obsession of two ruthless Alphas who would burn the world for me. And I'm not sure I want to stop them. This book contains mature content; readers' discretion is advised.
