

A close-up, chest-up photograph of a very muscular man. He has extensive, dark, tribal-style tattoos on both of his arms and shoulders. He is wearing a thin, silver-colored chain necklace with a small, dark pendant. His skin is tanned and his muscles are well-defined. The background is dark and out of focus.

Stepbrother Broken Colleen Masters, 2015-08-29 Only Lukas Hawthorne could simultaneously break my spirit crush my dreams and make me dripping wet He's a legend on campus a star athlete with records that'll never be broken I always see him on campus walking around with some new hot piece of ass and I dream about what it would be like to be the one on his arm It's totally unfair to have such an effortlessly handsome grad student as my TA Who knew economic theory could be so sexy Problem is I've been so distracted by him all semester that now I'm failing his course and I need pass if I hope to graduate on time He wants to meet with me after class to discuss how I can make up my grade this summer extra assignments private lessons whatever it takes But when a disgusting realization is made our student teacher sex sessions are permanently interrupted Our parents are engaged They're madly in love and can't wait to make me Lukas and all of our siblings one big happy family To make matters worse we have to endure a family vacation at his father's lake house Together A million miles away from everything Thing is the more inappropriate my desire is for him the more intensely it burns and he isn't shy about meeting me halfway According to him we're going to defile every room and every surface of his father's house before we go back to school Challenge accepted

Stepbrother Bastard Colleen Masters, 2015-07-15 It started off as a dare a harmless one night stand with a complete stranger He was just another badboy I met in a bar a harmless fling to start my summer vacation One unbelievable night of sex and I'd never have to see him again But the next morning as I pull up to the lake house my mom has rented for the summer I get the feeling my world is about to crumble it was just supposed to be us girls me my two sisters and Mom but we're not alone Apparently my mom's old high school sweetheart John owns the house and he has three sons all around the same age as me and my sisters And they thought it would be a great idea to put us all together under the same roof for four weeks We'll have to share bedroom walls sit down for family dinners and suffer through a million other forced awkward sexually confusing family activities I'm

sure And then I realize my mom s new boyfriend has a son a little older than me I see him barreling toward me on a 4 wheeler a lit cigarette between his lips strangely familiar tattoos on his muscular forearms and chest as he gets closer I m filled with dread as I begin to realize who he is but he isn t slowing down The f cking prick nearly runs into me As he takes off his helmet I m instantly filled with horror and an undeniable twinge of excitement between my legs It s him The man who took me last night used me every which way stretched me more than any man I ve ever been with before and now he s ignoring me acting like he s never seen me before in his life I have a feeling it s going to be a fun summer This Contemporary New Adult Stepbrother Romance Novel is the first book in the three book Hawthorne Brothers series The ending is HFN The book contains harsh language sexual content and adult situations that may offend some readers **Stepbrother** Celeste Rane,2015-08-10 The continuation of the first book Just when Brad thinks everything is okay things take another twist
