Steven Stayner Interview:

The Name's Familiar II Laura Lee, 2001-06-30 The fictional characters Dracula Madeline and Lois Lane were all inspired by real people There really is a Nathan behind Nathan's hotdogs a Cliff behind CliffsNotes and an Anne behind Auntie Anne's but J Crew is just a figment of a marketing director's imagination Monica Sandra Rita and the other girls of Mambo No 5 fame are Lou Bega's real life ex girlfriends For those of you who have wondered about these names and those who never thought to Laura Lee details the stories behind them and many others in her new book The Name's Familiar II This sequel to her book The Name's Familiar contains over 350 entries that tell the origins and originators of words characters brand names and even towns Elmira New York for instance was named after a rambunctious little girl whose mother was constantly calling her Neighbors heard her name so much they decided to call the town Elmira The names explained in this book range from those of contemporary pop culture to ancient legend Whether it's Smokey the Bear or Julius Caesar you'll be given new insight that will change the way you look at names forever **Bigfoot!** Loren

Farabee, 2007 Accounts of all known fatal mishaps in Yosemite National Park **Against Their Will** Nigel Cawthorne, 2012-06-19 Real life accounts of harrowing abductions and resilient survivors from the author of Prince Andrew Epstein Maxwell and the Palace True stories of twisted criminals who hold their victims in endless captivity to satisfy their perverse desires Against Their Will is a comprehensive compendium of the most disturbing kidnappings of all time Jaycee Lee Dugard lived to tell the tale of her eighteen years of captivity in paroled rapist Phillip Garrido's suburban backyard Elizabeth Smart bravely held on for nine long months in a forced marriage to religious fanatic Brian David Mitchell who repeatedly

raped her in the name of God Elisabeth Fritzl amazingly overcame twenty four years trapped in a basement dungeon built especially for her by her father Josef Colleen Stan heroically endured seven years as a sex slave brutally tortured with the full consent of her captor s wife Tina Marie Risico escaped certain death at the hands of a killer by being an unwilling accomplice in other kidnappings Not for the faint of heart Series TV *I Know My First Name Is Steven* Mike Echols,1999 In 1972 the Steven Stayner story chocked the nation Now the next terrible chapter unfolds as his brother Cary admits he s the Yosemite killer *Time* ,2006 *In the Name of the Children* Jeffrey L. Rinek,Marilee Strong,2019-06-27 FBI Special Agent Jeff Rinek had a gift for getting child predators to confess All he had to do was share a piece of his soul In the Name of the Children gives an unflinching look at what it s like to fight a never ending battle against an enemy far more insidious than terrorists the predators lurking amongst us who seek to harm our children During his 30 year career with the FBI Jeff Rinek worked hundreds of investigations involving crimes against children from stranger abduction to serial homicide to ritualized sexual abuse Those who do this kind of work are required to plumb the depths of human depravity to see things no one should ever have to see and once seen can never forget There is no more important or more brutal job in law enforcement and few have been more successful than Rinek at solving these sort of cases Most famously Rinek got Cary Stayner to confess to all four of the killings known as the Yosemite Park Murders an accomplishment made more extraordinary by the fact that the FBI nearly pinned the crimes on the wrong suspects Rinek s recounting of the confession and what he learned about Stayner provides perhaps the most revelatory look ever inside the psyche of a serial killer and a privileged glimpse into the art of interrogation In the Name of the Children takes readers into the trenches of real time investigations where every second counts and any wrong decision or overlooked fact can have tragic repercussions Rinek offers an insider s perspective of the actual case agents and street detectives who are the boots on the ground in this war at home By placing us inside the heart and mind of a rigorously honest and remarkably self reflective investigator we will see with our own eyes what it takes and what it costs to try to keep our children safe and to bring to justice those who prey on society s most vulnerable victims With each chapter dedicated to a real case he worked In the Name of the Children also explores the evolution of Rinek as a Special Agent whose unorthodox empathy based approach to interviewing suspects made him extraordinarily successful in obtaining confessions and the toll it took to have such intimate contact with child molesters and murderers Beyond exploring the devastating impact of these unthinkable crimes on the victims and their families this book offers an unprecedented look at how investigators and their loved ones cope while living in the spectre of so much suffering **I Know My First Name is Steven** Mike Echols,1991 As seen on the TV movie *I Know My First Name Is Steven* this account tells of convicted child molester Kenneth Parnell s abduction of seven year old Steven Stayner For seven years Steven was forced to endure such unspeakable abuse that he forgot his own name When Steven was finally able to escape his testimony helped convict Parnell for his hideous crimes Includes never before published photographs **The New York Times Index** ,1989
