

Stiga Primo

Rider of the year!

Primo represents a new generation of compact Front mowers from Stiga aimed at design conscious homeowners. Featured with rear wheel steering and easy-to-use single hand controls, it reduces the time and effort spent in the garden.

The idea was to create a vehicle, which is manoeuvred and mows as well as the big Front mowers, and which you can be proud to park on your driveway. Material and construction, comfort and convenience,

road grip and performance – the thinking is the same as in a modern car. Primo is the name, since it is one of a kind.
