what it means to be held secured valued and cared for And she learned those things in the arms of the Father who walked with her in the pain The book you hold in your hand is not a narrative of her life it is the whisperings she heard in the night Along the way she developed the skill of Hearing from the Father s Heart She learned what it means to be loved And now you get to listen in *From First Life, To the Last Hunt* Bo Wafford,2011-03-02 Bo Wafford is an avid hunter fisherman father and grandfather with five great grandchildren After living and traveling over much of the world during his life he now spends his days in Mt Vernon Texas within four miles of where he was born He grew up in Northeast Texas the son of a farmer spending as much time picking cotton as in school A desire to find adventure in his life led him to enlist in the Air Force Bo served twenty one years in the United States Air Force retiring in 1974 The next phase of life led him to a career as a hunting guide He guided and hunted all over the world including Australia Uruguay Alaska and many more locations He still guides occasionally at the world famous Y O Ranch Mountain Home Texas where he guided throughout his career Among hunters he has guided over the years Bo is known as The Legend From First Life to the Last Hunt chronicles the hardships of his early years and a life full of adventures Bo guarantees every story to be true and authentic most of the time Marvellous mercy, as displayed in the life and experience of the author James Smith,1862 *Memoir of the Rev.
