The Paul Debate Critical Questions For Understanding The Apostle:

The Paul Debate N. T. Wright, 2016-01-21 In the last two decades N T Wright has produced a succession of connected volumes that explore the nature and origins of Christianity Wright has consistently argued that Christianity while indebted to Second Temple Judaism represents a significant development With major books on method and background Jesus and the resurrection already in print in Paul and the Faithfulness of God Wright added a comprehensive study of the Apostle to the Gentiles The Paul Debate is essential reading for those who both agree and disagree with Wright and for all who want to understand the compelling voice of one of the most read and productive Pauline scholars in the past decades Challenging the Traditional Interpretations of Justification by Faith, Part 2 John A. Campbell, Tony H. Espinosa, Martin H. Fuller, Mitchell J. Kennard, Joel I. Oladele, John-Paul Petrash, Kerry S. Robichaux, 2023-07-03 This volume is the second of a two part work that evaluates the teaching of justification by faith from the early church to modern times in light of the Scriptures and the ministry of Watchman Nee and Witness Lee Part 2 continues the evaluation begun in part 1 by examining the teaching of justification by faith from the mid sixteenth century to the twenty first century Throughout these centuries numerous accounts of this foundational Christian truth have been offered and many controversies have been and continue to be fought Beginning with the Lutheran tradition in the opening chapter the authors identify the contributions and shortcomings of each of the major Christian traditions While many of the Christian traditions have contributed some light to the church's understanding of justification by faith the authors contend that most of them have fallen short of the truth that in justification God approves the believers solely on account of their union with Christ as righteousness through faith Themelios, Volume 41, Issue 1 D. A. Carson, 2016-05-23 Themelios is an international evangelical peer reviewed theological journal that expounds and defends the historic Christian faith Themelios is published three times a year online at The Gospel Coalition <http://thegospelcoalition.org/themelios> and in print by Wipf and Stock Its primary audience is theological students and pastors though scholars read it as well Themelios began in 1975 and was operated by RTSF UCCF in the UK and it became a digital journal operated by The Gospel Coalition in 2008 The editorial team draws participants from across the globe as editors essayists and reviewers General Editor D A Carson Trinity Evangelical Divinity School Managing Editor Brian Tabb Bethlehem College and Seminary Consulting Editor Michael J Ovey Oak Hill Theological College Administrator Andrew David Naselli Bethlehem College and Seminary Book Review Editors Jerry Hwang Singapore Bible College Alan Thompson Sydney Missionary Nathan A Finn Southeastern Baptist Theological Seminary Hans Madueme Covenant College Dane Ortland Crossway Jason Sexton Golden Gate Baptist Seminary Editorial Board Gerald Bray Beeson Divinity School Lee Gatiss Wales Evangelical School of Theology Paul Helseth University of Northwestern St Paul Paul House Beeson Divinity School Ken Magnuson The Southern Baptist Theological Seminary Jonathan Pennington The Southern Baptist Theological Seminary James Robson Wycliffe Hall Mark D Thompson Moore Theological College Paul Williamson Moore Theological College

Mitchell D. Mallary, 2025-07-22 There is a long standing assumption that the theological visions of Karl Barth and N T Wright are fundamentally at odds with one another with the thinkers purportedly representing two vastly different schools of thought within the Christian tradition Jesus History and Revelation intervenes in these debates challenging the prevailing paradigm in which Barth is hailed as the forerunner of apocalyptic theology and Wright is the standard bearer of a salvation historical scheme Mitchell Mallary demonstrates how Barth and Wright share remarkable affinities with one another in relation to Jesus as the objective historical reality of revelation the subjective conditions for the possibility of human reception of revelation and the task of the historian Jesus History and Revelation proposes that the lived history of Jesus and the reality of divine revelation cannot be neatly categorized into apocalyptic or salvation historical schemes Indeed whereas those debates often center on Pauline interpretation Mallary suggests that these issues first require to be addressed in relation to the historical Jesus the Gospels and Christology proper Jesus History and Revelation is the first book to bring the work of Karl Barth into dialogue with N T Wright Importantly Mallary clarifies the relationship between the creaturely form of Jesus s humanity and the content of divine revelation explains the necessary conditions whereby humans can discern this revelation and unpacks the implications of both for a proper understanding of the relevance and limits of historical study for Christian theology

The Pastoral Epistles and the New Perspective on Paul Daniel Wayne Roberts, 2021-08-31 The so called New Perspective on Paul has become a provocative way of understanding Judaism as a pattern of religion characterized by covenantal nomism which stands in contrast to the traditional Lutheran position that argues that the Judaism against which Paul responded was legalistic This new perspective of first century Judaism has remarkably changed the landscape of Pauline studies but it has done so in relative isolation from the Pastoral Epistles which are considered by most critical scholarship to be pseudonymous Because of this lack of interaction with the Pastoral Epistles this study seeks to test the hermeneutic of the New Perspective on Paul from a canonical perspective This study is not a polemic against the New Perspective on Paul but an attempt to test its hermeneutic

within the Pastoral Epistles Four basic tenets of the New Perspective on Paul taken from the writings of E P Sanders N T Wright and James D G Dunn are identified and utilized to choose the passages in the Pastoral Epistles to be studied to test the New Perspective s hermeneutic outside undisputed Paul The four tenets are as follows Justification Salvation Law and Works Paul s View of Judaism and the Opponents Based on these tenets the passages considered are 1 Tim 1 6 16 2 3 7 2 Tim 1 3 8 12 and Titus 3 3 7

An Anomalous Jew Bird, 2016 Lively well informed portrait of the complex figure who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why An Anomalous Jew presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul s thinking and worldview

Romans Gerald L. Stevens, 2021-05-25 Stevens invokes a powerful synthesis of recent Pauline studies by insisting the category of Israel is the hermeneutical key to all of Romans Through Jesus the Messiah and the power of the Spirit Paul saw fulfilled Isaiah s vision of Israel s destiny to the nations to bring the good news of salvation Recapturing Isaiah s vision broke the spell for Paul of the Great Assembly s postexilic take on Israel Paul s apostleship first and foremost was to Israel not gentiles exclusively Paul used his expos of the gospel of God in Romans to challenge believers in Rome to embrace their place in the messianic Israel of God

Divine Wrath in Paul Gerald L. Stevens, 2020-12-22 Divine wrath is considered politically incorrect for a God of love but Stevens insists coming to terms with Paul s language of wrath is imperative for understanding Paul s gospel Half of the occurrences of the two primary terms in the New Testament are in Paul A survey focusing on the key terms for wrath in Greek Roman Hebrew Samaritan and New Testament literature provides background to see Pauline distinctives Rich illustrations bring discussion to life drawn from decades of the author s research overseas Stevens challenges Dodd s divine wrath as no more than an impersonal nexus of sin and retribution by integrating wrath into a theology of grace through which God always and in everything is seeking to save
