The Oxford History of Christian Worship Geoffrey and Tucker Wainwright (Karen B.), Liturgy and Ethics, 2017-11-06 The connection between Christian ethics and liturgy has been on the research agenda for some decades now Liturgy and Ethics addresses this issue departing from the particularity of the Reformed tradition and its potential for contributing to the discussion The volume offers in depth studies of how to understand God's acting in worship the centrality of justice and the formative meaning of the liturgy and relates these reflections to various moral issues and contemporary liturgical practices In combining a specific theological approach with a broad disciplinary treatment of the topics this volume aims to push forward the scholarly discussion on liturgy and ethics in significant ways American Christianities Catherine A. The Liturgy of Holy Qurbana in the Malankara Mar Thoma Syrian Church: A Historical Review Rev. Dr. Jameson K. Pallikunnil, 2023-06-30 The celebration of the Holy Qurbana is the central and focal point of the faith life of the Holy Church Holy Qurbana contains the whole spiritual wealth of the Church The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church The formation and development of the Eucharistic liturgies in the churches has distinct story and relevance to share The churches in Malankara also have their own unique trajectory of the development and existence of the Eucharistic Liturgy In this book the writer attempts to put forth the historical development of the Eucharistic Liturgy in the Malankara Mar Thoma Syrian Church The writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James This book depicts a new set of reflections on the history of liturgy and worship in the Malankara Mar Thoma Syrian Church The study helps us to identify the historical roots and ecclesiastical relationship in the Malankara Mar Thoma Syrian Church through the readings of the liturgical formations **The New Passover** Nigel Scotland, 2016-08-03 A recent journal article stated There is something missing in the way the churches do Communion Why

is it that this central act of Christian worship is often so dull dreary and formal Indeed at times it can be as somber as a funeral with people silently queuing cafeteria style in lines to receive a morsel of bread or a rice paper emblem of bread and then joining the wine queue for a tiny sip of wine Strangely the churches call the Eucharist a supper but there is no meal in the gathering Indeed on occasions it can feel a bit like the Mad Hatter's tea party which was supposed have mouth watering festive things to eat but there was only bread Where is the convivial joy and fellowship of a Passover celebration Why is there no overwhelming joy like that of the two disciples who encountered the risen Jesus in the breaking of bread in their house in the village of Emmaus on that first Easter evening This book *The New Passover Rethinking the Lord's Supper for Today* traces the way the Christian churches changed the simple meal of the New Passover into an esoteric theological public ritual Luther and the sixteenth century Protestant Reformers abolished the Mass and restored the bread and wine to the people but they only half completed the task They recognized that Jesus intended the Eucharist to be a Supper but there was nothing in their liturgies to satisfy physical hunger This book argues that the Last Supper was a Passover meal and that churches today need to celebrate the Lord's Supper Passover style in the context of an evening meal with ordinary bread and wine in small groups of believers only and in houses and homes It is to be a joyous celebration meal providing spiritual strength fellowship thanksgiving and remembrance *Envisioning the Congregation, Practicing the Gospel* John W. Stewart, 2015-08-06

Porter, 2015-10-14 Captures John's unique perspective and voice in the wider field of Jesus studies In this volume Stanley Porter tackles a variety of important and often highly contentious topics within the Gospel of John as a means of defining and capturing the distinctive Johannine voice Subjects discussed include John in relation to competing Gospels the public proclamation of Jesus in John the sources of John's Gospel John's prologue the I Am sayings the notion of truth the Passover theme and the ending of the book Each chapter besides surveying representative research puts forward new and insightful proposals regarding the topics concerned Porter does not shy away from matters that have often perplexed Johannine scholars and he confronts some of the viewpoints that have led to

confusion in the field In exploring John s unique perspective and voice Porter makes a significant contribution to the wider fields of Jesus studies and New Testament investigation
