The Pause John Larkin:

The Pause John Larkin, 2015-04-01 One moment One pause One whole new life Declan seems to have it all a family that loves him friends he's known for years a beautiful girlfriend he would go to the ends of the earth for But there's something in Declan's past that just won't go away that pokes and scratches at his thoughts when he's at his most vulnerable Declan feels as if nothing will take away that pain that he has buried deep inside for so long So he makes the only decision he thinks he has left the decision to end it all Or does he As the train approaches and Declan teeters at the edge of the platform two versions of his life are revealed In one Declan watches as his body is destroyed and the lives of those who loved him unravel In the other Declan pauses before he jumps And this makes all the difference From author of *The Shadow Girl* winner of the Victorian Premier's Literary Awards 2012 Prize for Writing for Young Adults comes a breathtaking new novel that will make you reconsider the road you're travelling and the tracks you're leaving behind SHORTLISTED Queensland Literary Awards Griffith University Young Adult Book Award 2015

Taylor, 2023-07-13 From the colonial through the antebellum era enslaved women in the US used lethal force as the ultimate form of resistance By amplifying their voices and experiences *Brooding over Bloody Revenge* strongly challenges assumptions that enslaved

women only participated in covert non violent forms of resistance when in fact they consistently seized justice for themselves and organized toward revolt Nikki M Taylor expertly reveals how women killed for deeply personal instances of injustice committed by their owners The stories presented which span centuries and legal contexts demonstrate that these acts of lethal force were carefully pre meditated Enslaved women planned how and when their enslavers would die what weapons and accomplices were necessary and how to evade capture in the aftermath Original and compelling Brooding Over Bloody Revenge presents a window into the lives and philosophies of enslaved women who had their own ideas about justice and how to achieve it
