William S. Burroughs Cutting Up the Century Joan Hawkins, Alex Wermer-Colan, 2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs's Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice

Encyclopedia of Beat Literature Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation **The Rifleman** Christopher Sharrett, 2005 A comprehensive analysis of what many consider to be television's most intelligent western The Rifleman is perhaps the most significant and intelligent of the TV westerns from the late 1950s an era when the western was the dominant television genre With its story of a single father raising a son in 1880s New Mexico The Rifleman offered many alternatives to the conventions of the western It also embodied many of the genre's contradictions setting its ideas about domesticity and level headedness alongside the gun violence adopted by westerns as central to the settling of the West and the creation of America With its initial episodes written and directed by celebrated auteur Sam Peckinpah and the overall series produced by veteran Dick Powell and the pioneering television production team of Jules Levy Arthur Gardner and Arnold Laven The Rifleman is distinguished by its stewardship of some of the most talented minds of early television In his succinct study of this television milestone Christopher Sharrett uses television studies psychoanalytic criticism gender studies and American studies to place The Rifleman within the TV western genre and early

television culture While discussing the intelligence and lasting value of this series Sharrett also challenges the reader to consider the broader role of 1950s television in shaping the consciousness of the postwar generation The Rifleman remains one of the great examples of the stalemates within American mass culture the struggle between reason and violence **The Place of Dead Roads** William S. Burroughs, 2015-01-29 This surreal fable set in America's Old West features a cast of notorious characters The Crying Gun who breaks into tears at the sight of his opponent The Priest who goes into gunfights giving his adversaries the last rites and The Nihilistic Kid himself Kim Carson a homosexual gunslinger who with a succession of beautiful sidekicks sets out to challenge the morality of small town America and fight for intergalactic freedom Fantastical and humorous The Place of Dead Roads continues William Burroughs exploration of society's controlling forces the State the Church women literature drugs with a style that is utterly unique in twentieth century literature **Powers of Possibility** Alex Houen, 2012 By outlining a novel concept of literary practice potentialism this text shows how opening up literary possibilities enabled writers such as Allen Ginsberg LeRoi Jones Amiri Baraka William S Burroughs Kathy Acker and Lyn Hejinian to tackle matters of power and politics **Wising Up the Marks** Timothy S. Murphy, 1998-01-05 William S Burroughs is one of the twentieth century's most visible controversial and baffling literary figures In the first comprehensive study of the writer Timothy S Murphy places Burroughs in the company of the most significant intellectual minds of our time In doing so he gives us an immensely readable and convincing account of a man whose achievements continue to have a major influence on American art and culture Murphy draws on the work of such philosophers as Gilles Deleuze Félix Guattari Theodor Adorno and Jean Paul Sartre and also investigates the historical contexts from which Burroughs's writings arose From the paranoid isolationism of the Cold War through the countercultural activism of the sixties to the resurgence of corporate and state control in the eighties Burroughs's novels films and music hold a mirror to the American psyche Murphy coins the term amodernism as a way to describe Burroughs's contested relationship to the canon while acknowledging the writer's explicit desire for a destruction of such systems of classification Despite the popular mythology that surrounds Burroughs his work has been largely excluded from the academy of American letters Finally here is a book that presents a solid portrait of a major artistic innovator a writer who combines aesthetics and politics and who can perform as anthropologist social gad or media icon all with consummate skill My Heart Is Bound Up with Them David Martínez, 2023-02-21 Centering historically neglected Indigenous voices as its primary source material author David Martínez shows how Carlos Montezuma's correspondence and interactions with his family and their community influenced his advocacy and how his important work in Arizona specifically motivated his work on a national level Seeing the Beat Generation Raj Chandarlapaty, 2019-05-10 Beat generation writers dismantled mainstream America They wrote under the influence of psychedelic drugs they crossed and navigated multicultural boundaries and questioned the American dream and they explored homosexuality feminism and hyper masculinity redefining America's marital and familial codes Teaching such a

history can be daunting but film adaptations of Beat literature have proven to engage students This book looks closely at the film adaptations of works by such authors as Jack Kerouac Neal Cassady Allen Ginsberg William S Burroughs Gary Snyder Carolyn Cassady Amiri Baraka and Lawrence Ferlinghetti as they relate to American history and literary studies
