MAIL ON SUNDAY YOU If there is one thing that most of us aspire to it is simply to be happy And yet attaining happiness has become it appears anything but simple Having stuff The Latest The Newest The Best Yet is all too often peddled as the sure fire route to happiness So why then in our consumer driven society is depression stress and anxiety ever more common affecting every strata of society and every age even worryingly the very young Why is it when we have so much that many of us still feel we are missing something and the rush of pleasure when we buy something new turns so quickly into a feeling of emptiness or purposelessness or guilt So what is the route to real deep long lasting happiness Could it be that our lives have just become overly crowded that we ve lost sight of the things the simple things that give a sense of achievement a feeling of joy or excitement That make us happy Do we need to take a step back reprioritise Do we need to make our lives more simple Kate Humble s fresh and frank exploration of a stripped back approach to life is uplifting engaging and inspiring and will help us all find balance and happiness every day [Encyclopedia of Community](#) DAVID LEVINSON,KAREN
