The Passionate Intellect Christian Faith And The Discipleship Of The Mind:

The Passionate Intellect Alister McGrath, 2014-03-03 Alister McGrath argues that Christian thought has a vital role to play in the survival of the Christian vision of reality By setting the gospel in the great tradition of Christian theological reflection we have the makings of a robust engagement in the public sphere of ideas **Biblical Discipleship: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink, 2017-04-17 Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature How do we become spiritually mature There s only one way and it s called discipleship However statistics show that discipleship is in a state of crisis today Many Christians are not growing in Christ and are stuck in the process of reaching spiritual maturity A Barna study reveals that almost nine out of ten senior pastors of Protestant churches assert that spiritual immaturity is one of the most serious issues facing the church Sadly what discipleship meant in the time of Christ and what it means today is vastly different Moreover the importance Christ and the Apostles gave to discipleship is also stunningly different than the importance many Christians and churches today give it Unlike the disciples who had much of Scripture memorized a whopping 81% of Christians today don t read their Bibles regularly Unlike Christ s disciples who were Fishers of Men 61% of believers today have not shared their faith in the past six months And sadly unlike Christ and the Apostles who made discipleship the central focus of their ministries 81% of pastors today have no regular discipleship programs in their churches Discipleship is being neglected today and the consequences are crippling many Christians and churches This book hopes to change that Chapter 1 focuses on the state of discipleship today and exposes the sad truth that it s in crisis mode Chapter 2 reveals 13 key factors contributing to the lack of discipleship today Chapter 3 defines biblical discipleship based on central phrases Christ used in His ministry Chapter 4 brings to light 14 essential components of the discipleship making process that must be understood and practiced in order to attain spiritual maturity Chapter 5 provides practical how to help for growing in Christ It includes self assessment tests for measuring your level of spiritual maturity in each essential component of discipleship and gives hands on useful ideas for taking steps toward spiritual maturity Discipleship is a command for all believers and is our highest calling This book provides biblical help for fulfilling this calling and seeks to discover what God says about genuine growth in Christ It s both an informative book and a how to book It deals with the barriers that are hindering discipleship and offers practical help for overcoming these barriers and attaining spiritual maturity So are you ready to grow Would you like to be pleasing to God Would you like to fulfill the reason for which you ve been created Would you like the full blessings of God in your life Would you like to become spiritually mature Would you like to hear Christ s words Well done good and faithful servant when you arrive in heaven If so this book is for you [Discovering the Christian Mind](#) Douglas Vickers, 2011-06-24 The relation between Christianity and the claims of reason has been at times sharp and conflicting and at times symbiotic

Noted scholars in the church and in the secular academy have asked what Christianity has to do with culture and what the Christian mind has to say or should be saying by way of critique in the marketplace of ideas In *Discovering the Christian Mind* Douglas Vickers argues insightfully that prior to the question of what the Christian mind should be doing or saying is that of what the Christian mind is Vickers shows that the true identity of the Christian mind derives from the Holy Spirit's conveyance to the soul of the grace of regeneration The conclusion that regeneration is prior to knowing and that those know truly who know God truly challenges thought and opinion Faith and Learning David S. Dockery, 2012 Two dozen Christian higher education professionals thoroughly explore the question of the faith's place on the university campus whether in administrative matters the broader academic world or in student life **Sehnsucht: The C. S. Lewis Journal** Grayson Carter, 2012-06-01 Sehnsucht The C S Lewis Journal established by the Arizona C S Lewis Society in 2007 is the only peer reviewed journal devoted to the study of C S Lewis and his writings published anywhere in the world It exists to promote literary theological historical biographical philosophical bibliographical and cultural interest broadly defined in Lewis and his writings The journal includes articles review essays book reviews film reviews and play reviews bibliographical material poetry interviews editorials and announcements of Lewis related conferences events and publications Its readership is aimed at academic scholars from a wide variety of disciplines as well as learned non scholars and Lewis enthusiasts At this time Sehnsucht is published once a year **Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink, 2016-05-18 This 16 Week Study Guide is exceptionally practical and life transforming It is taken from the main book *Biblical Discipleship Essential Components for Attaining Spiritual Maturity* However it is a stand alone book study that is designed to be used on its own Its purpose is to take the 14 core principles of discipleship and put them into practice Today we have many ways of defining success in life Some define it as being a sports hero others as being wealthy others as being popular and well liked and still others as being happy How does God define success He defines it as being spiritually mature **The Transhumanism Handbook** Newton Lee, 2019-07-03 Modern humanity with some 5 000 years of recorded history has been experiencing growing pains with no end in sight It is high time for humanity to grow up and to transcend itself by embracing transhumanism Transhumanism offers the most inclusive ideology for all ethnicities and races the religious and the atheists conservatives and liberals the young and the old regardless of socioeconomic status gender identity or any other individual qualities This book expounds on contemporary views and practical advice from more than 70 transhumanists Astronaut Neil Armstrong said on the Apollo 11 moon landing in 1969 One small step for a man one giant leap for mankind Transhumanism is the next logical step in the evolution of humankind and it is the existential solution to the long term survival of the human race Pursuing Excellence for the Glory of God Keith A.
