Lilies That Fester John Bossert Brown, 2022-12-20 The twentieth century promised much in terms of progress Europe was at peace and America was poised to become a world superpower Certain religious leaders envisioned new programs to help the poor while others pondered plans to evangelize the world Protestants in America were divided over issues such as biblical authority and social programs but there was a surface unity and a widespread agreement shared with Catholic and Orthodox Christians about the sanctity of human life an ethic rooted in the Bible and church history Seventy nations responding to medical advances in obstetrics fetology and a growing concern for women s health had moved to

prohibit abortion Today 120 years later there is a deep division among Christians and in American society about abortion and much else The causes are no doubt complex but several things are clear Worldwide there have been over one billion unborn children destroyed by abortion There have been seventy three million unborn children destroyed by abortion in the United States over half of them to women who identify as Christians In a century of massive violence due to war planned famines mass executions and terror abortion reigns supreme That the Judeo Christian ethic of the sanctity of life has been shredded owes much to the scandal of Christian discipleship **Toward a Redemptive Marriage** John Cunningham,2012-07-10 Workbook for the PreMarriage class by John Cunningham at Trinity Presbyterian Church in Charlottesville Va entitled Toward a Redemptive Marriage *Caught in the CROSS-Fire* Michael Kenneth Wilson,2025-07-31 There are insidious forces threatening to shape people s lives in ways that may or may not meet with their approval and certainly do not meet with God s the ultimate judge Over many centuries it has been common to name these radical forces as the world the flesh and the devil This book deals with the nature and impact of these highly dangerous forces and what is involved in successfully countering them Tapestry of Grace Benjamin C. Shin,Sheryl Takagi Silzer,2016-09-13 Why do the first generation still act like that Why can t we try some new ideas Why are the second generation so lazy Why are the second generation so disrespectful Isn t it a shame how the church is split between the two generations These and many more questions reflect the tangled conflicts within the Asian American church Cultural differences have led to many misunderstandings and conflicts Conflicts have created bitterness and churches have split apart How can these tangled threads be rewoven into a beautiful tapestry of God s grace What would it take for the Asian American church to reflect God s grace In *Tapestry of Grace* Dr Benjamin C Shin and Dr Sheryl Takagi Silzer apply their years of study and teaching to explain how the cultural complexities that occur between the different generations of the Asian American church can be untangled Taking lessons from their own spiritual journeys they show how each generation can experience the amazing grace of the Gospel *Architectures of Grace in Pastoral Care* Douglas B. Olds,2023-05-23 An updating of virtue ethics for modern pastors and the souls they care for this book proposes innovations for the craft of ministry in the theology of grace how virtues radiate to tame strife and other destructive behaviors It presents a comprehensive alternative to the top down proclamations of biblical counseling approaches that try to impart from an eclectic biblicist lens cognitive authorities for consequential change Instead Christ s bottom up practice of virtues heals and fulfills by focusing on neighbor first and subordinating the ego s strategic considerations more graciously spreading God s will in ministry through participatory and experiential knowledge Virtuous pastoral ministries integrate the common grace of humanist learning to address the range of the care seeker s contemporary context her upbringing struggles and affiliations This book presents more the how than the what of pastoral theology more how the dance of mutuality and chivalry enters the spiritual flow of healing metaphysical grace than the what of right belief Even so pastoral care from the virtue ethical approach inevitably reconsiders vending

machine theologies destructive doctrinal boundaries and context lite biblicisms This presentation introduces how virtue ethics apply to ministry the household individual trauma and addictions and the contemporary political and cultural arena

Unreconciled Paul S. Jeon, 2018-10-18 The summons to live a radical life for God has led us away from doing the very basic things he has commanded Instead of changing the world our Lord Jesus calls us to change the way we approach relationships Specifically he challenges us to pursue reconciliation Unreconciled The New Norm invites Christians especially those who are busy seeking to do great things for a great God to remember the command to go and be reconciled and to renew their commitment to live in obedience to the things God has revealed Perhaps by pursuing the seemingly ordinary we will see God do extraordinary things in our pursuit to create cultures of reconciliation
