The Phoenix Park Murders Conspiracy Betrayal Retribution:

The Phoenix Park Murders Senan Molony, 2006 06 May 1882 the Number One administrator of the British government in Ireland and his Number Two are assassinated by men wielding deadly surgical knives while the pair are walking in the Phoenix Park The killings are witnessed from the Viceregal Lodge now Aras an Uachtarain the official residence of her majesty's representative in Ireland One of the dead men is Lord Frederick Cavendish who is married to the niece of the prime minister William Ewart Gladstone The other man is Thomas Henry Burke the head of the Irish Civil Service a man denounced by Nationalists as the leading Castle Rat in the British occupation The British government must solve this crime But there are no clues The witness descriptions are inconclusive and the local police do not know where to begin *The Missing Postman* Fachtna Ó Drisceoil, 2011 Postman Larry Griffin vanishes during his rounds in Stradbally on Christmas Day 1929 The only clue to what happened was an abandoned bicycle on a deserted country road The story of the Missing Postman as it became known made the headlines nationally and overseas when ten prominent local people were arrested and charged with his murder The defendants included such pillars of the community as two local Civic Guards the school teacher the local publican his wife and two of their children For eighty years the doors of Stradbally and the Garda files on the case remained firmly shut against anyone trying to investigate the story Numerous successful libel actions taken by the former defendants further discouraged media interest However all those involved have passed on Government files which cast new light on the case have recently become available and in this extraordinary new book Drisceoil weaves the pieces of the puzzle together and reveals the shocking answer to the question What really happened to Larry Griffin *Crime, Violence, and the Irish in the Nineteenth Century* Kyle Hughes (Lecturer in British history), Donald M. MacRaild, 2017 This important volume based on original research innovative methodological perspectives and advanced historical scholarship draws together some of Ireland's leading historians as well as emerging talents to examine a range of topics such as Irish secret societies agrarian disorder security and the law sectarian violence under the banner of crime and violence in 19th century Ireland Joyce's Allmaziful Plurabilities Kimberly J. Devlin, Christine Smedley, 2018-07-02 A brilliantly collaged snapshot of the variety and wealth of literary criticism and Joyce studies today Tony Thwaites author of *Joycean Temporalities* Celebrates the multiplicity and sheer rampant excess of Joyce's prodigally polysemous text with seventeen different scholars employing a likewise prodigal range of critical methodologies Patrick O'Neill author of *Impossible Joyce* Finnegans Wakes Each of the scholars involved is at the top of his and her game Their commitment and excitement about the task at hand is evident on virtually every page This book makes the Wake relevant and accessible to a whole new generation of readers Garry Leonard author of *Advertising and Commodity Culture in Joyce* This is the first Finnegans Wake guide to focus exclusively on the multiple meanings and voices in Joyce's notoriously intricate diction Rather than leveling the text it illuminates many layers of puns wordplay and portmanteaus celebrating the Wake's central experimental technique Renowned Joyce scholars explore the polyvocality of

individual chapters using game theory ecocriticism psychoanalysis historicism myth philosophy genetic studies feminism and other critical frameworks They set in motion cross currents and radiating structures of meaning that permeate the entire text and open up satisfying readings of the Wake for novices and seasoned readers alike A volume in the Florida James Joyce Series edited by Sebastian D G Knowles **An Irish-Jewish Politician, Joyce's Dublin, and Ulysses** Neil R.

Davison,2022-12-06 In this book Neil Davison argues that Albert Altman a Dublin based businessman and Irish nationalist influenced James Joyce s creation of the character of Leopold Bloom as well as Ulysses broader themes surrounding race nationalism and empire **Uncle Sam's Policemen** Katherine Unterman,2015-10-19 Extraordinary rendition abducting

criminal suspects around the world has been criticized as an unprecedented expansion of U S policing But America s pursuit of fugitives beyond its borders predates the Global War on Terror Katherine Unterman shows that the extension of manhunts into foreign lands formed an important chapter in American empire Ireland's Great Famine and Popular Politics Enda

Delaney,Breandán Mac Suibhne,2015-11-19 Ireland s Great Famine of 1845 52 was among the most devastating food crises in modern history A country of some eight and a half million people lost one million to hunger and disease and another million to emigration According to land activist Michael Davitt the starving made little or no effort to assert the animal s right to existence passively accepting their fate But the poor did resist In word and deed they defied landlords merchants and agents of the state they rioted for food opposed rent and rate collection challenged the decisions of those controlling relief works and scorned clergymen who attributed their suffering to the Almighty The essays collected here examine the full range of resistance in the Great Famine and illuminate how the crisis itself transformed popular politics Contributors include distinguished scholars of modern Ireland and emerging historians and critics This book is essential reading for students of modern Ireland and the global history of collective action **Contemporary Irish Writing and Environmentalism** Donna

L. Potts,2018-09-19 This book examines how the Irish environmental movement which began gaining momentum in the 1970s has influenced and been addressed by contemporary Irish writers artists and musicians It examines Irish environmental writing music and art within their cultural contexts considers how postcolonial ecocriticism might usefully be applied to Ireland and analyzes the rhetoric of Irish environmental protests It places the Irish environmental movement within the broader contexts of Irish national and postcolonial discourses focusing on the following protests the M3 Motorway the Burren campaign the Carnsore Point anti nuclear protest Shell to Sea the turf debate and the animal rights movement **The**

Lamplighters of the Phoenix Park James Flanagan,Frank Flanagan,Donal Fallon,2023-10-19 The Phoenix Park in Dublin holds a special place in the collective memory of Irish people From the assassinations of 1882 and the destruction of several imperial monuments to the arrival of Douglas Hyde as Ireland s first president and Pope John Paul s 1979 visit it has been at the centre of Irish society for centuries But the park is also part and parcel of daily life for many Dubliners none more so than the Flanagan family who have been lighting the gas lamps within its walls since 1890 Here historian Donal Fallon speaks to

brothers Frank and James Flanagan lamplighters of the park to give us a snapshot of a fading tradition and a unique history of one of Ireland's most beloved places. With stunning photographs, historical events and personal stories, *The Lamplighters of the Phoenix Park* shines a light on the park at the centre of our national identity through the prism of this singular family whose histories have been intertwined for more than 150 years. *Von der georgianischen Ära bis zum Zeitalter des keltischen Tigers* Sonja Müller, 2015. James Joyce's *Ulysses* 1922, ein Meisterwerk der irischen Literatur, gilt im Allgemeinen als größter und bekanntester Dublinroman. Diese Studie legt das Augenmerk jedoch auch auf die vor *Ulysses* publizierten Stadtrepräsentationen, die wieder vergessenen Werke des 20. Jahrhunderts und die erst nach der Jahrtausendwende veröffentlichten Dublinromane. Im Rahmen der Analyse dieser vielfältigen Literaturbeispiele wird sowohl der Wandel der Stadtdarstellung über die Zeit als auch die enge Verbindung der Begriffe urbaner Raum und Identität im speziellen irischen Kontext aufgezeigt.
