romance UK erotic romance straight to gay romance bisexual romance *Gay Men's Sexual Stories* Robert Reynolds, Gerard Sullivan, 2003 Investigation of the role of sex in everyday lives of gay men With emphasis on psychosocial and emotional context the contributors explicitly describe their sex lives and sexual attitudes in a variety of situations The editors share their expertise and insights into these narratives and into the academic literature on gay men at midlife **Chat Erotica** Manuel García, 2025-09-30 Manuel García writes men as they are direct raw and unadorned These are stories of virile encounters not dressed in sentiment but charged with skin sweat and the unspoken In workplaces bars trains chat rooms desire rises from friction conflict and the sudden electricity of a glance too long held This is not pornography but masculine eroticism where men desire men with the force of need and the weight of silence The title story Chat Erotica begins in the glow of a phone screen A message typed hesitated over and finally sent Straight boy 39 seeks bisexual friends who have been partying and want to cum in my holes Behind the blunt words is a man split between fear and hunger carrying both shame and urgency The phone rings insults first then silence then another call Each vibration is a test of courage a step closer to the crossing of a line that cannot be uncrossed He remembers the summer on a deserted Balearic bay the sun burning his back the salt drying on his skin Juan tanned calm confident asking if he needed a light then later spreading cream on his shoulders his thighs and lower still The touch casual at first lingered until it became something else The first taste of another man's cock hesitant clumsy then sure The first finger pressing into his ass as his own hunger surprised him with its force The moment when the body admitted what the mouth would never say In García's stories masculinity is not a mask but a friction that ignites Every look every touch every word unsaid builds into an encounter where power and vulnerability collide And when the moment comes it does not ask permission It takes it gives it consumes These are tales that leave a mark like sweat on skin like the echo of a stranger's breath in the dark Desire that arrives uninvited stays unforgotten and reminds you that once a man has been taken he is never the same *Lesbian Erotica Mega Collection* Kathleen Hope, 2018-02-28 Mia loved her job Writing an advice column for sexually troubled people was a task she was perfectly suited for She had a therapy degree and an uncanny ability to place herself in other's people's shoes Every day her inbox greeted her with a new challenge Monday morning was no exception Mia read the email seconds after dragging herself out of bed She hadn't had her coffee yet but the email's explosive content jolted her wide awake Dear Mia After years of marriage my husband and I had become accustomed to wild passionate sex night after night sometimes up to three or four times a day Taking a break from the email Mia fanned herself Three or four times a day she shouted Whew But lately things have changed His hours at work have picked up leaving him exhausted when he comes home at night To put it bluntly I want more I'd love to return to the days of endless lovemaking between the two of us the days where he would spend hours tickling my body with gentle strokes and licks until I simply couldn't take it anymore Mia leaned back in her chair easing her legs apart slowly It was a challenge to keep her mind from drifting but she somehow kept reading The problem is I'm too shy to demand what I want
