A Misfit's Manifesto Donna Gaines, 2007. Gaines is a self-described bourbon guzzling, pill popping, penis addicted, workaholic, tattooed Jew with a Ph.D. and a pistol permit. A Misfit's Manifesto is about living with the contradictions. This is how she did it and found God in all the unlikely places like Ramones songs.

STEELcyclopedia - The Titans of Hard Rock Taylor T. Carlson, 2014-06-14. STEELcyclopedia: The Titans of Hard Rock is the third entry in Taylor T. Carlson's ROCKcyclopedia series of books. This book covers the best classic hard rock and metal bands of all time, including groups like Black Sabbath, Uriah Heep, Blue Öyster Cult, Metallica, Megadeth, Iron Maiden, Judas Priest, and Dio. For all 50 bands in the book, there are lineups, discographies, recommendations, and band histories. Printed in black and white, the emphasis is more on information; this is more a reference book than a coffee table book. As with the first two books in this series, HAIRcyclopedia Vol. 1: The Legends and HAIRcyclopedia Vol. 2: The Vault, this one includes photos by David Plastik, a legendary photographer whose work has been seen on album covers, in liner notes, and in major music publications. Author Taylor T. Carlson is a die-hard rock fan residing in the Vegas Valley. His reviews can be seen in Vegas Rocks Magazine as well as on Rock Over America, a music website.

Lola Alfred Preston O'Meara, 2009-02-09. Lola is about how every church and state on planet earth is out-dated and suffocating humanity. The world leaders of today's church and state just as soon rape and pillage the planet for their own golden butt wipers; then they would do the right thing for the planet and/or humanity. I guarantee Jesus, the 2000-year dead guy, is not going to save you. I guarantee the concept of hell is not real and is being used to scare and mind-control honest people into believing negative bullshit. I guarantee you the United States Government is destroying the planet for a few corporations' business interests. I guarantee Obama's campaign for change is all smoke and mirrors and that the current American presidential administration is just as corrupt and shady as the last administration.

Vinyl Mike Evans, 2022-09-06. This history of the LP is a must-have for any music connoisseur. When vinyl LP records took over the music industry in the late 1950s, a new era began. No longer bound by the time constraints of the shellac 78s that had been in use since the 1910s, recording artists could now present an entire album rather than a lone three-minute single on a vinyl LP, giving listeners a completely new way to experience their music. In recent years, vinyl has

found a second life as an art form collected and appreciated by music connoisseurs across the world Vinyl The Art of Making Records examines the origins of the vinyl format and its evolution throughout the 20th century and also provides an in depth look at how vinyl LPs are manufactured and packaged often with striking artwork that makes them beloved by music enthusiasts today Also included are four removable art prints each representing a sample of album covers from the 1960s 1970s 1980s and 1990s Everything Under the Sun Mike Cormack,2024-09-26 Pink Floyd are one of the most iconic and influential rock bands in the world their sonic ambition lyrical dexterity and structural ability are unparalleled in rock music Since their formation in 1965 they have released 15 studio albums and sold over 250 million records Their eighth album Dark Side of the Moon is one of the highest selling British albums in the world Mike Cormack takes a deep dive into the music of Pink Floyd resulting in the first serious appraisal of the band s immense achievements whilst also giving an overview of the UK s concurrent social and political history as seen through the prism of the band In addition to a song by song analysis Mike also shares exclusive band interviews a full chronology and gig guide and a full bootleg guide Everything Under the Sun is the definitive account of the career of rock s most devastatingly emotional and articulate band
