Smart Thinking Tony Lewin, 2004 The story of smart is an epic tale of genius inspiration hope disappointment disaster and ultimate triumph Funky stylish and fun smart is the youngest and most exciting brand of car on the market and it has revolutionised the way we think about cars and the way we use them It has put much needed fun back into driving and even city motorists smile when they re at the wheel of a smart But it nearly didn t happen atall The revolutionary design was the product of the genius who invented the Swatch watch saving the near bankrupt Swiss watch industry in the process But these visionary ideas proved too radical and the tiny two seater almost died at birth when a succession of backers lost their nerve The sensational story of smart traces the decade long history of this ambitious project talking to key figures from every stage of the programme and building a vivid picture of an idea ahead of its time **Instructions for Your Discontent**

Barrie Dolnick, 2010-06-15 Restlessness is your first clue Discontent can creep into your life making you feel uncomfortable as if sitting too long in a cramped space It can make you grumpy and put you in a bad mood It can dampen your spirit and make you feel sluggish dissociated and disinterested Yet you can use it to change your life Instructions for Your Discontent is an inspiring guide to making discontent the driving force for change in your life A practical handbook for using bad times to make life better Instructions for Your Discontent deals with the feeling that we all have from time to time something is wrong but we don t know quite what it is Supportive and refreshingly honest Barrie Dolnick author of the extremely successful Simple Spells books identifies that feeling as discontent and urges us to respect it rather than ignore it Discontent is an intensely creative state she says It nags and pokes us to get ourselves going and to accomplish what we really want in life It s trying to tell us something and we need to listen Covering all aspects of life Instructions for Your Discontent explores relationships love jobs money family self worth anger and time This captivating and thought provoking book provides creative and sensible instructions to guide you through the challenges anxieties and fears that interrupt your life and cause you unhappiness Instructions for Your Discontent offers accessible intelligent advice for weeding through the downers and moving beyond a life that is just okay Enjoy examining your discontent and being happy again **European Car** , 2006
