Resources in Education, 2000-10

Inclusive Teaching in South Africa Tsediso Michael Makoelle, 2016-08-31. Inclusive education presupposes an all-inclusive approach where all learners are taught in regular classrooms regardless of background, disability, or social context. While there has been much debate, indications are that inclusive education has been gaining momentum. The book is divided into six coherent sections that address the how of inclusive education both inside and outside of the classroom.

Primary School Child, The Namita Ranganathan, 2000. Based on many years of teaching experience and drawing on her research among rural and urban children, this book is addressed to students of education and psychology and can be used as a core text. Dr. Ranganathan discusses the theories of education and the philosophical orientation of important thinkers. She studies the physical, emotional, social, cognitive, and moral development of children as also their needs and interests. She also deals with the situation of exceptional children. The author has taken care to ensure the book is sensitive to issues of gender, class, and caste. Each chapter ends with a summary of the main ideas dealt with therein. The book also contains a select reading list.

Crossover Readers' Advisory Jessica E. Moyer, 2016-10-31. Help maximize your existing collection with this browsable volume containing titles that serve double duty with their appeal to both teens and adults and cover genres spanning crime novels, romance, horror, science fiction, and more. An indispensable reference for libraries, this book takes the guesswork out of crossover readers' advisory by allowing you to easily guide teens who enjoy reading adult books and adults who enjoy reading teen stories. Chapters written by genre experts will help you better understand each genre's appeal to teens and adults as well as list dozens of titles that lend themselves to both groups of readers. The approach will help you maximize your collection while better serving your patrons. The work is divided into two parts: the first part covers adult books for teens, while the second section delves into teen books for adults. Chapters include a definition of the genre, appealing features unique to the category, the factors that make the works suitable for crossover, a listing of relevant titles and annotations, and trends on the horizon. Genres covered include urban fantasy, mainstream historical fiction, graphic novels, and nonfiction.

Popular Series Fiction for Middle School and Teen Readers Rebecca L. Thomas, Catherine Barr, 2005 A guide to more than eight hundred fiction series including graphic novels and manga

Reading and Writing for Pleasure Teresa Cremin, Helen Hendry, Liz Chamberlain, Samantha Jayne Hulston, 2025-09-12 Reading and writing for pleasure represent issues of global concern and interest in policy research and practice underpinned by evidence illustrating their importance for young people's academic, social and emotional experiences and outcomes. In the face of a sustained decline in children's enjoyment in both reading and writing, this highly significant book presents findings from a three-year study of research and practice that nurtures young people's engagement as readers and writers. The book offers a rich understanding of the study, highlighting the commonalities and synergies identified from the research literature and diverse practice contexts. It introduces a new and powerful Reading and Writing Framework for Practice for schools and charitable literacy programmes. The authors offer practical strategies and recommendations throughout for practitioners, researchers and policy makers who wish to advance this agenda in their own contexts. Areas covered include: The nature of reading and writing for pleasure; Literate identities; Motivating readers and writers; Social interactions; Role models and connected communities; Future research practice and policy. This field-defining text is a key resource for all those committed to halting the decline in young people's engagement as volitional readers and writers.
