Zhuplev, Anatoly,Koepp, Robert,2021-10-22 Over the past two centuries the world s socio economic progression has gone through profound paradigm changes unfolding along four major development stages Higher education has been an important part of this process The accelerated pace of technological socio economic and business innovations as well as ongoing fundamental changes in the real world call for progress in pedagogy While modern universities have adapted in various degrees through information platforms such as Blackboard or Brightspace video conferencing and other technological innovations they still commonly rely on pedagogical ideas and concepts rooted in a thoroughly pre modern era rooted in medieval times Global Trends Dynamics and Imperatives for Strategic Development in Business Education in an Age of Disruption explores the genesis of higher education and its contemporary structure and profile in major global regions and discusses key trends dynamics drivers and developmental imperatives currently shaping business education Covering topics such as business education online education and strategic development this book is essential for teachers managers trainers faculty administrators policymakers researchers academicians and students involved in studies that include industrial economic social urban innovation legal and policy development **Global Dialogue on Media Dynamics, Trends and Perspectives on Public Relations and Communication** Fong Peng Chew,2025-01-08 This book contains the proceedings of the International Conference on Public Relations and Media Communication PRMC 2024 which explore the dynamic

intersections of public relations and media in today's rapidly evolving landscape. It has a repository of innovative research, insightful discussions and emerging trends in digital media strategies, crisis communication, media ethics, public relations in the age of social media and the impact of emerging technologies on media practices. It touches upon a wide array of topics and provides a comprehensive overview of the latest advancements and challenges in these fields. With innovative research contributions and case studies from around the world, this book will be instructive in shaping the way we look at the world of media and ourselves. This is a highly useful guide for university professors, research scholars, writers, journalists and media professionals who wish to stay updated on the recent shifts in public relations and media communication. *Assessment for Learning Within and Beyond the Classroom* Siew Fun Tang, Loshinikarasi Logonnathan, 2016-06-29. These conference proceedings focus on Assessment for Learning Within and Beyond the Classroom in recognition of the power of assessment for learning as a way of boosting student performance. They explore the breadth, depth and quality of the best models and practices, strategies, lessons learnt and discuss cases of successful implementation of assessment within the classroom and beyond, including the virtual space. They also provide fertile ground for stimulating and comparing responsive assessment approaches and practices in relatively new areas of assessment such as graduate capability assessment in view of the need for educational institutions to evidence graduate employability.

Global Entrepreneurial Trends in the Tourism and Hospitality Industry Batabyal, Debasish, 2020-03-13. Tourism has been gaining importance in recent decades with its increasing socio-economic, geo-political and ecological contributions, including its potential contribution to GDP, foreign exchange and international business. At this juncture, an assessment and analysis of the scope, opportunities and challenges of tourism and hospitality entrepreneurship is essential to the economic development of numerous countries. *Global Entrepreneurial Trends in the Tourism and Hospitality Industry* is a pivotal reference source that provides conceptualized ideas regarding the scope, prospects and challenges of tourism and hospitality entrepreneurship. While highlighting topics such as destination tourism, multigenerational travel and social entrepreneurship, this publication explores the relationship among tourism, hotel management, transportations, international trade, cargo and supply chain management, as well as the inter-linkages among various sectors and sub-sectors of the tourism industry. This book is ideally designed for entrepreneurs, directors, restaurateurs, travel agents, hotel management industry professionals, academics, professors and students.
