Allow only persons who understand this Manual to operate your out-of machine

To receive maximum performance and satisfaction from your STIHL, cut-off machine, it is important that you read and understand the maintenance and safety precautions, starting on page 2, before using your cut-off machine.

Contact your STIHL dealer or the STIHL distributor for your area. If you do not understand any of the instructions in this Manual.

Warning

Because a cut-off machine is a high-speed cutting tool, some special safety precautions must be observed as with any other cut-off machine to reduce the risk of personal injury.

Overuse or improper use may cause
a serious or even fatal injury.

STHL's philosophy is to continuously improve all of its products. As a result, engineering changes and improvements are made from time to time. If the operating characteristics or the appearance of your cut-off machine differs from those described in this Manual, please contact your STHL dealer for information and assistance.
