the end of the book students will have a sound understanding of the methods commonly used in book and publishing studies and will be able to confidently identify and select methods for their own research projects and dissertations This book is an essential resource for advanced undergraduate and postgraduate students and researchers in book and publishing studies

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism is adapting romance novels for small and big screen projects and the Romance Writers Association is evolving to a more inclusive representative group it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre It is time to question the cultural capital of traditional archetypes explore the experience of romance readers and question how romance and cultural studies researchers create quantitative qualitative and mixed methods research This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology By having access to this pool authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction and potentially reflect on changes since Janice Radway's seminal work The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok No other book in romance or popular culture studies identifies a data set as the connecting element and to do so creates an exciting opportunity to create a more inclusive study of popular romance offer truly interdisciplinary research on the question of how readers read romance and generate diverse areas of future scholarship This edited volume explores multiple issues in romance fiction based on survey data from real romance readers An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s this time scholars explore romance readers habits and attitudes in the twenty first century Each contributor in this volume uses the same survey data to make unique statements about gender intersectionality popular fiction and popular culture By using a common data set but approaching it from different perspectives this unique volume is able to apply multiple methodologies to the same subject

Work of Fiction Christina Williams, 2024-08-20 Work of Fiction Making a Living from Writing in the UK explores the lived experiences of fiction writers in the UK and how they make a living Based on a substantial body of interviews with a range of fiction writers it considers the ways that writers think about and talk about writing as work and how discourses of writing operate to support or undermine them as cultural workers It argues that discourses of love luck magic and being a writer function in complex ways to position writers in enchanted and elevated spaces which both nurture their practice and undermine their status as remunerated workers in the creative sector The book shows how the positives and negatives of often precarious cultural work are played out for fiction writers It has implications for writers in the ways that they think about and talk about themselves as workers and how the publishing industry values their contributions
