Controlling the Message Victoria A. Farrar-Myers, Justin S. Vaughn, 2015-03-27 Broken down into sections that examine new media strategy from the highest echelons of campaign management all the way down to passive citizen engagement with campaign issues in places like online comment forums the book ultimately reveals that political messaging in today's diverse new media landscape is a fragile unpredictable and sometimes futile process The result is a collection that both interprets important historical data from a watershed campaign season and also explains myriad approaches to political campaign media scholarship **Writing a Novel and Getting Published For Dummies** UK George Green, Lizzy E.

Paul Stevens,Robert Banks,2018-12-01 I am thrilled to know that The Complete Book of Everyday Christianity is being relaunched A well worn first edition of this book sits next to my office desk and I consult it often There is no better collection of everyday issues examined from a Christian perspective A wide variety of topics are addressed with a cleverly balanced combination of academic and practical perspectives informed by thoughtful biblical and theological reflection This is a

wonderfully useful tool I am pleased that it will be available to resource a new generation of Christians who are eager to understand more about what it means to follow Christ in every aspect of life Alistair Mackenzie Senior Lecturer School of Theology Mission and Ministry Laidlaw College Christchurch New Zealand Also Director of Faith at Work NZ Popular Culture, Social Media, and the Politics of Identity William Clapton, 2024-11-08 Popular Culture Social Media and the Politics of Identity advances a novel methodological approach pop culture as political object to capture the centrality of popular culture as an object of a broad range of political contests and debates that constitute pop culture artefacts by generating and informing specific meanings and understandings of them It is no longer novel to claim that popular culture matters to world politics The literature on Popular Culture and World Politics PCWP has demonstrated the cultural basis of political action and meaning making However this book argues that in doing so the PCWP literature has focused primarily on the traditionally narrow range of issues actors and things that mainstream International Relations regards as part of world politics While PCWP challenges restrictive disciplinary understandings of the sites of legitimate inquiry where one can purposefully gain knowledge about world politics comparatively little has been done to challenge constricted understandings of what world politics is who it involves and where it takes place Methodological approaches in the literature largely treat popular culture and politics as separate and therefore focus on understanding how popular culture relates to and intersects with a relatively circumscribed notion of world politics Focusing on the everyday politics of how audiences perceive and contest popular cultural artefacts this book demonstrates that pop culture does not merely intersect with or reflect discrete political processes it is also directly situated as an object of politics The author analyses current debates over identity politics across a range of contemporary pop cultural artefacts including films and video games This book will be of interest to scholars and students of International Relations Political Science and Cultural and Media Studies

## **Media Sensation Twitter Trending Books** Book Review: Unveiling the Power of Words
