Biblical Principles That Create Success Through Productivity Rich Brott, 2008 According to author Rich Brott it is human nature to want something for nothing or at least to receive a maximum amount of return for a minimum amount of effort The old adage notes that we should work smarter not harder There is no doubt that the industrial revolution changed society forever But is there ever a legitimate excuse to not continue working hard But the bottom line is this For you to be successful with consistency you will have to give up the ever present desire to live a life of leisure fulfilling every personal whim and want and choose to remain productive for a good part if not all of your life God honors hard work He honors productivity It is the author's belief that God's method for success is to bless the good productive work ethics of ordinary people

30 Biblical Principles For Managing Your Money Rich Brott, 2008 Becoming successful at managing your money begins with a commitment to follow biblical principles In doing so certain areas of your life must be confronted in an honest open and accurate manner You must confront the following areas A spiritual B attitudinal C habitual D practical E personal Addressing only selective areas of your financial life will not bring you to a place of success You must be willing to tackle each area and come face to face with the clear reality of your past decisions This means developing a new determination to change past spiritual decisions and the adopting of new biblical attitudes toward the management of your money Only you can make a difference in your financial life You can be successful at managing your money if you will begin to follow these 30 biblical principles Author Rich Brott shows you how
